The North, a Grain Mercantile Com-pany's flour mill is in ruins as a reafternoon a well-developed fire was discovered in the upper portion of Mr. James Montgomery's residence, 12th line, Enniskillen, and before assist-ance arrived the building, together with the upstairs furniture, etc., was completely destroyed. The loss will run up to about 1,000, and is partially covered by insurance, there being \$500 on the house and \$100 on the contents.

RAILWAY RUMBLINGS.

The G. T. R. Getting Out a New Freight Tariff-C. P. R. Changes.

The Grand Trunk Railway Company is getting out a new freight tariff The freight traffic manager of the C. P. R. announces that commencing on May 31, that company will operate train service between Hamilton over the tracks of the Grand Trunk, making connections at Hamilton with the T., H. and B.

NIAGARA'S NEW BRIDGE Will Be One of the Greatest Engineer

ing Feats of the Era. Niagara Falls, N. Y., May 28 .- The new bridge to span Niagara's gorge,

The bridge designed to replace the of the finest steel arch structures in trolley lines, carriages and pedestrians. When finished changes on both sides of the river will take place. Trolley and a bank book showing \$11,000. He cars will carry people from one side was sent to his hotel in a cab after an to the other, connecting with the observation line on the Canadian side, and the local, Buffalo, and Gorge cars on the American side. Twenty-nine years ago officers of the present company carried the cable for the first ridge at this place across on the ice bridge, and in that way the work on the structure was begun. When the new bridge is up the present one will be taken to Lewiston and put up in the place of the ruins which now dangle in the gorge.

> CHILD DRAGGED TO DEATH. Shoal Lake, Man., May 28.—Walter, the 6-year-old son of Robert Scott, was riding on a pony led by the hired girl, when the pony became restive, breaking away from the girl, and, unseating Walter, dragged him along the ground for half a mile. The child insensible when picked up, and died in a couple of hours.

"Not Exactly Right."

Thousands of people are in this condition. They are not sick, and yet they are by no means well. A single bottle of Hood's Sarsaparilla would do them a world of good. It would tone he stomach, create an appetite, purify and enrich the blood, and give wonderful vigor and vitality. Now is the Valley. No damage is reported.

druggists. 25 cents.

An Acrobat Fatally Injured at Preparing the Way for Peace Negotiations.

> The New York Journal's Summary of an Alleged Message to be Sent to Spain by President McKinley.

New York, May 28 .- The Journal this morning publishes a dispatch from Washington on the Cuban question. The dispatch says: The work of pre-paring the way for the negotiations with Spain is being pushed as speed-ily as possible, but diplomacy is slow. The first public move was the sending of Mr. Calhoun to Cuba; the second and more important will be the nom nation of a minister to Spain. After intimating that it is in President Mc-Kinley's mind to offer this post to ex-President Harrison, the dispatch con-

When Mr. Calhoun makes his written report to the President to bring the evidence as to the Cuban situation down to date, the President will lay the following statement before the Spanish Government at great length in the most courteous and diplomat language, yet firmly and unmistak-

"The United States is thoroughly posted on the situation in Cuba. You cannot reconquer the island. In over two years of bloody and destructive warfare, you have demonstrated that fact be ond question. The insurrec-tion is as strong or stronger than

to the terrible destruction of lives and property, to the almost irreparable in-Wellandport, Ont., May 28.-One of jury of American property and comsactions that has ever taken place in this vicinity was discovered Wednesday. At the home of Rev. George E. Honey, B.A., B.D., Methodist minisdections that has ever taken place in longer. The provisional Government longer. The provisional Government is willing to pay an indemnity, to be determined by direct agreement, or by fair arbitration, to the full value of which is used for household and drinking purposes. On account of the chain of the pump being broken, it had not been used for a chart time induse, your Government and property right in the island, and the United States stands ready to guarantee the payment. This freight cars piled up in a heap. Up to noon five bodies had been taken out.

United States by inexorable events is Cosgrove, had a leg broken, and C. E. direct and forcible intervention, in Heckman, engineer of the passenger, which case but one result can come you will not only close Cuba, but lose it without a dollar of indemnity." It is said in conclusion that the time for the opening of this correspondence is at hand. It is the President's desire to bring about definite results quietly, and to have success before announcement, but silence is impossible as secrecy

SPANISH ACCOUNT OF A VICTORY The insurgents left 77 killed, and are die. The two Applings, Duncan and Richards, were shot by Williams. The five men killed and had 27 wounded.
