TO BE HANGED.

Veney, the Amherstburg Wife Murderer, Convicted and Sentenced.

SANDWICH, April 14.—Anderson Veney, who murdered his wife on Sept. 11 last at their home in Amherstburg, was up for trial this morning. The case took up the whole day. The jury brought in a verdict of guilty, recommending him to mercy.

Judge Street passed sentence of death on him, ordering that he be hanged on May 18 next. The judge stated that the papers would be sent to the Government for consideration.

Malcolm Cowan, of Windsor, appeared for the prisoner, and R. C. Cline, Q.C., was presenting attorney.

**DISASTER AT GORRIE.**

Bridge Over the Mainland Carried Away—An Embargo on Bu. mose.

GORRIE, Ont., April 13.—The Gerrie mill dam, a small bridge at the east end of the town and the principal bridge over the Mainland River, on Main street, were swept away by a flood at 1 o'clock this morning, leaving a gap between the business part of the town and the C. P. R. The flour mills were owned and run by Wm. Dene, son, whose loss will at the least be about \$1,500. The loss to the municipality on the bridges will be about the same amount. The occurrence leaves business at a standstill.

It is not what its proprietors say, but what Hood's Sarsaparilla does, that tells the story. Hood's Sarsaparilla cures—

**LONDON AND ENVIRONS.**

"With so many labor troubles,"

Said the clock upon the shelf,

"I have just about concluded

That I'd better strike myself."

—Miss Bertha Lawrence, of Quebec city, is the guest of Mrs. E. W. Greaves, Horton street.

—The Presbyterian pulpit at Alvinston will be occupied on the next two Sabbaths by the Rev. James Gordon, of London.

—Mrs. Celeste V. Keltie, formerly of this city, will be leader and soprano soloist of Wesley Church, Hamilton, on Sunday morning.

—The gentleman who accidentally took away from the C. P. R. banquet last evening another gentleman's felt hat may hear of his own hat by calling at this office.

—At last night's session of St. George's Society it was decided to hold church service at St. Paul's Cathedral on Sunday, April 23, and the banquet on the following Monday evening.

—The marriage took place last evening, at the residence of Mr. Albert Lewis, South London, of his daughter, Miss Ada, to Mr. Henderson, of Hamilton. The ceremony was performed by Rev. Canon Davis.

—Mr. Adam Murray, of London, ex-county treasurer, was in town yesterday visiting his niece, Mrs. P. Claahan. Mr. Murray is in his 85th year and is as smart on foot as most men are at 70.—[Gloucester Transcript.]

—Mr. Thomas Martin (director of music, Hellmuth College) announces another of his delightful piano recitals to take place in the Victoria Hall on Tuesday, April 25. This is the only recital the accomplished artist gives this season.

—A correspondent writes: "Many back yards in the city are in a frightful condition of filth. If the Board of Health does not see after this very soon there will be any amount of sickness. By all means they should get a move on themselves and put on inspectors."

—On account of the present sickness of Rev. M. E. Siple, the Baptist pulpit at Alvinston and at the Brooke appointment will be supplied on Sunday by Mr. C. R. Sayer, Y. M. C. A. secretary, of this city, and the three following weeks by Mr. J. Catling, also of London.

—Detective Nickle arrested a tramp named James A. Armstrong yesterday. On him were found a brush, a putty knife and a pair of shears. These articles are claimed by Mr. Richard Mulken, who was using them in the repairing of Graham's Hotel, on the Hamilton road. The hotel is empty, and the police claim that Armstrong slept there over night and walked away with the articles in the morning.

The prisoner Mulken, who has worked in Stratford and Ingersoll lately.

—The attraction at the Grand Monday night will be Charles Frohman's New York company, presenting James Mortimer's farce-comedy, "Gloriana." The piece had a long and successful run in New York, but has never before been seen in this city. It has an interesting little plot, of more merit than the average of that class of plays. Its dialogue is bright and witty, it is full of action, and does not depend upon horse play for its fun. Servants masquerade as masters, and masters as servants, and the situations are grotesque and amusing to the last degree. The company is an excellent one; even the most trivial parts are in competent hands.

**Clothes for Telephone Poles.**

Mr. Beverly Jones, in a letter to the mayor, suggests that the hideous telephone poles on residential streets be clothed with creepers. He is ready to plant vines on the poles in front of his house if the telephone men are instructed to carry ladders to reach the poles 18 feet up, instead of climbing from the bottom. In some American cities wires are stretched from pole to pole, and vines trained up over them.—[Toronto Globe.]

C. O. F.

Court Louise, No. 63, Petrolia, Canadian Order of Foresters, held a very successful concert in Victoria Hall recently. There were about 600 present. Dr. Sturgeon, of Petrolia, introduced Mr. Edward Towne, of London, as the head of the order and as chairman. The following took part in the programme: Petrolia Quartet Club; Mr. H. W. Rich, of Toronto; Miss Gaylord, of Nebraska; Miss Sage, Petrolia; Mr. Harry Baker, Toronto; Mr. M. Sturgeon, Petrolia; Bro. Edward Towne, H. C. R. London; and Miss Luckham, Petrolia. The concert concluded with a mock initiation under the direction of Prof. Gilhooly & Co. Bros. W. H. Hopkins, D.D.H.C.R., James Mair, R. L. Dr. Sturgeon, E. Rawlings, and Alex. Robertson were present.

**Geo. Wilson Minstrels To-Night.**

George Wilson and his merry band of minstrel entertainers will be at the Grand Opera House to-night. He comes this season in the height of a brilliant success, and if newspaper criticisms are any criterion, he has certainly the greatest minstrel show the amusement-loving public in this country has ever seen. Mr. Wilson has always given his friends the best procurable, and to say that he this season eclipses all his former efforts, is a bold assertion, but, nevertheless, Mr. Wilson sincerely promises it. Certainly he has this season exceeded himself with an array of minstrel talent hard to equal. Jake Welby, a comedian of sterling worth and most enviable reputation, has charge of the bone end of the circle opposite Wilson. Welby, Pearl and Keys, the indescribable trio, are also among the principal entertainers and perform some wonderful and dangerous acrobatic feats. Another of the special features is something new in the art of terpsichore, a spectacular descriptive song and dance, entitled "Cupid." The

Lily White Water White Oil is a reliable oil for family use. Ask your dealer for it. They must keep it to hold their trade. Over 100 dealers sell it in the city. No extra price; same price as ordinary oil. Orders solicited. Telephone No. 807.

EMPIRE OIL COMPANY

singing contingent, headed by C. B. Ward, Geo. Gale, Lou Hudson, Ralph Royer and Sidney Bullock, sing some new and rarely pretty ballads.

**Mrs. Holman's Benefit.**

St. Thomas Journal: Who of the old theater and opera patrons of years gone by do not know the Holman family? Way back in the sixties they were the only troupe in Canada who favored the citizens with light and heavy operas. Since the family first started out great changes have taken place. Sallie, who was a favorite, Julius, well liked, and George, the father, have all passed to the great beyond, and the rest of the family are scattered. Mrs. Holman still lives, and time has not been kind to her, and the little fortune that the family made is all gone. For some time she has been in New York, and Mr. William H. Crane, the comedian, whom she trained for the stage, is going to give her a benefit. It has been put down to take place at the Star Theater on the afternoon of the 25th inst., and an immense bill is being arranged.

**THEY WANT \$52,827.**

Estimates Ciphred Out by the Board of Works.

An Advance of \$7,000 on Last Year's Figures—The Use of Victoria Park Granted to the Salvation Army Twice a Week.

The estimates for No. 2 committee were brought up last night. The engineer had all the wards completed with the exception of No. 6, the figures of which he had finished late in the day and would alter somewhat. The estimates of last year amounted to \$45,000, while this year the improvements called for the expenditure of \$52,827, made up as follows:

Ward 1.....\$ 5,422

Ward 2.....8,740

Ward 3.....8,386

Ward 4.....10,200

Ward 5.....11,100

Ward 6.....8,329

Total.....\$52,827

This was considered by some of the members as very high, and then the various ward representatives had to dispute the rights of each other as to what amount each ward really needed. As a result the estimates, after the engineer has completed No. 6, were referred to the council for consideration next Monday night.

Ald. Taylor said they should not go to any such expense this year. It only amounted to \$45,000 last year, and \$52,000 is too much.

Ald. Garratt thought it was not too much. The work done last year was not very great, and \$7,000 difference this year was not large compared with the extent of work needed.

The engineer said there were a few items that could be struck off. The repairing of the fair buildings could be thrown out, which amounted to \$700. In his opinion it was not the city's place to do this work, as the buildings were the property of the Fair Association. Another item which could be deducted was the grant of \$800 to the militia camp, as it was not yet decided upon whether or not the city should get the camp every year. Other smaller amounts could be omitted which together would amount to about \$4,000. The Board of Education, he said, was too costly, as last year there had been erected several schools which were not necessary, and their getting such large grants deprived the committee of needed funds for really necessary work.

Ald. Dineen said that there were residents in No. 5 ward who had wanted sidewalks for a number of years, but on account of limited funds it was impossible to give them.

The use of Victoria Park was granted to the Salvation Army for Thursday nights and Sunday afternoons during the summer.

In reference to the Carling street drain, Engineer Graydon reported that the best way to dispose of the trouble would be to open the street and lay a private drain on the deposit by the residents of \$25 a guarantee that the work would be completed.

In reference to the sewer on Wortley road, from Bruce street to Stanley street, the opinion of the city solicitor was that the drain could not be run across private property.

Mr. Beattie, a resident of that district, was present, and protested against the proposed scheme. He thought it was unfair for three or four residents to be called upon to lay 800 feet of drain, mostly for the benefit of other taxpayers and as an outlet to a small drain.

Ald. Shaw said the proposed drain was to cost about \$4,000, and he was in favor of some mode of settling the trouble in some more economical way.

Mr. Macleith, on behalf of the residents, said if the proposed drain was laid, it would create another outlet into the river, and in the interest of the health of the residents it was necessary to have as few of them as possible. The Board of Health had recommended last year that the drain be laid and the Court of Revision had since upset the recommendation.

Ald. Shaw stated that when the Board of Health had made the recommendation they were not aware that there was another drain.

Considerable discussion followed. Some members claiming that the Court of Revision had no power to alter the recommendation.

On motion of Ald. Taylor it was resolved to refer the matter back to the Board of Health to carry out the original plan.

The city solicitor recommended that the city pay half the expenses of repairing the Francis street drain, as the city, after assuming charge of the drain some years ago, was bound to keep it in repair. The township will pay the other half.

Mr. Seng, the former caretaker of the Queen's Park, applied for a position to help clean up the parks, and the engineer will give him employment as soon as he gets anything fit for him.

The engineer reported that the outlet to the Beecher street drain should be granted on condition that the ratepayers who will benefit by the new extension pay the first ratepayers a proper proportion of the cost of laying the original drain. The engineer's report will be recommended to the council.

Edward Fenton, a resident of Park Mall street, was granted permission to remove several trees in front of his own property.

A new band stand, water closets, rubber hose, painting of boulevards and drinking fountains, a boiler for the greenhouse and now have been asked for in Caretaker Grant's report. The members will visit the park. Mr. Grant also wanted some trees to plant alongside one of the walks, and recommended that they purchase English yew trees.

Accounts from Andrew Callahan for \$22 40, for sewer repairs; Willis & Co., \$1 75, and E. North, \$46 27, were ordered to be paid, and the pay sheet amounted to \$69 59.

The members present were: Ald. Garratt (chairman), Shaw, Thomas Jones, Co., Dineen, Taylor, Engineer Graydon, Secretary Bell and Street Commissioner Owens.

To cure indigestion take Williams' Royal Crown Remedy and Pills in the evening.

## GENERAL DEBILITY

Cured by Four Bottles.

HAMILTON, July 28, 1890.

MR. ISAAC WILLIAMS:

Dear Sir:—I have been a sufferer for a long time with general debility and weakness in my back. The doctors could do me no good. I tried your Royal Crown Remedy, and after taking four bottles it has made me better than I have been for years. I would highly recommend it to all suffering from these diseases.

TOPICS OF TO-DAY.

The Thinker, an English periodical, refers to an article in an American magazine by Mr. Gail Hamilton.

Mr. Gladstone, it is now said, has submitted to the Queen the name of Mr. Swinburne as next poet laureate.

Henry M. Stanley, the African explorer, is now engaged in the preparation of a short series of stories for young people, consisting of legends and tales communicated to the explorer by his native followers during his journeys through the great forests of the dark continent.

**Santiago Settled.**

VALPARAISO, April 13.—Quiet has been fully restored in Santiago and all parties are now awaiting the announcement of the new Cabinet.

**Death of Longfellow's Son Charles.**

BOSTON, Mass., April 13.—Charles Longfellow, son of the poet, died to-day after a lingering sickness. He lived with his sister, Miss Alice Longfellow, in the old family mansion.

**Farmers Want Tariff Reform.**

MONTEREAL, April 13.—H. S. Harwood, the newly-elected member for Vaudreuil county, was in the city to-day. He declares his election was largely due to the fact that the farmers want tariff reform. He says the Manitoba school issue had little to do with it.

**Congressmen Classified.**

WASHINGTON, D. C., April 13.—The unofficial list of members-elect of the House of Representatives for the Fifty-Third Congress as compiled by the clerk of the House was published to-day. But one of the 356 seats is vacant, caused by the election of Lodge (Mass.) to the Senate. According to the clerk's count the Democrats will have 220 representatives, the Republicans 127, and the Third Party 8, giving the Democrats a majority of 93 over the Republicans, and of 85 over the combined forces of the Republicans and Third party men.

The great lung healer is found in the excellent medicine sold as Vick's Anti-Consumptive Syrup. It soothes and diminishes the sensibility of the membrane of the throat and air passages and is a sovereign remedy for all coughs, colds, hoarseness, pain or soreness in the chest, bronchitis, etc. It has cured many when supposed to be far advanced in consumption.

The great spring medicine—Williams' Royal Crown Remedy and Pills.

**OUR**
