ALL-STAR OLYMPIC ICE TEAM IDEA KNOCKED

C. A. H. A. Suggests To Committee Allan Cupholders Make Trip.

SMALLER STICKS

New Rule Limits Size of Goalkeepers' Sticks and Pads—Area Left Out.

Winnipeg, March 21.—A recommendation to the Canadian Olympic committee that the winner of the Toronto Granites-Saskatchewan University Allan Cup series, now in progress, represent Canada in the Olympic hockey series next January was contained in a resolution adopted at the annual meeting of the Canadian Amateur Hockey Association here today.

In order to eliminate disputes which invariably arise over the size of hockey sticks and goalkeepers' pads, a standard size was adopted. The maximum size for a hockey stick is 64 inches long and 3½ inches wide. Goalkeepers' pads must not be wider than 16 inches while lying flat.

Hereafter there will be no goalkeepers' territory, as this item was deleted from the constitution owing to the difficulty of referees to interpret the rule.

The Ontario Hockey Association form was adopted as a standard for all provinces.

Owing to the trouble experienced in clubs holding players, a clause was adopted which will prevent a player from playing for more than one club during a season. Once a player signs a certificate he will be unable to obtain a transfer for one season at least.

FOOTBALL REFEREES ADOPT CONSTITUTION

Officials Object To Bringing In Outside Referees For Finals and Cup-Ties.

The Ontario Referees' Association of London adopted, subject to corrections, its first constitution at the special meeting of the executive held last night at the chamber of commerce. There are some bylaws in the new constitution that will be reconsidered before final adoption.

Secretary-Treasurer Barney Devlin has written the central branch of the Referees' Association for the meeting on March 29. Every referee in the district, who intends to join, is urged to be on hand at this meeting, as only organized referees will henceforth be permitted to take charge of games.

J. J. Spillbury's report was presented, and considerable attention was given to it. London and District referees could be instructed to attend the L. and D. P. A. meeting tonight and to try again to bring about a mutual agreement on the fee question.

That there were plenty of good officials in the district, whose work was as highly rated as that of outsiders, was maintained, and the referees present indicated their intention to work in harmony with the L. and D. P. A.

It was decided to forward a copy of the constitution to the L. and D. P. A. to assure the latter body that the referees of a referees' organization in the district is to promote better football, as well as to create a mere social institution between the knights of the whistle and the players on the field.

Mr. Spillbury was instructed to attend the L. and D. P. A. meeting tonight and to try again to bring about a mutual agreement on the fee question.

St. Thomas is reported to be in need of more referees, and the same condition is said to prevail in Sarnia. Referees, or competent men wishing to handle games, may apply to the L. and D. P. A., or to Barney Devlin, secretary of the Ontario Referees' Association, at 90 Cavendish street.

Referees were assured support, and the hope was expressed that the referees would call on the Referees' Association when officials were required.

Tampa, Fla., March 21.—After all, when it comes to the game of baseball, the white flannels, white shoes, Panama hats, the afternoon tea, the evening concert, and the occasional dance, the entire to all of the golf courses, the wide, long plaza on which to sit and watch the handsome belles and their gallant escorts saunter and stroll, the Washington team has some excellent young players.
