## BEHRING SEA ARRANGEMENTS.

PORT TOWNSEND, May 15 -Unexpected orders came from Washington to-night for the revenue outter Grant to immediately prepare for sea. Some days ago the deorders came to suspend operations and pre-pare for a cruise to the North Pacific ocean. This movement is thought to have been actuated by the refusal of the British authorities to renew the Behring sea regulations, and the desire of the United States government to communicate with its outers now patroling the sea. Under the present complicated arrangements, should our outers seize British sealers upon the high seas for violation of the sealing regulations, serious complications might arise between the two
