## THE VICTORIA SEMI-WEEKLY COLONIST THURSDAY SEPTEMBER 2 1897

FROM KOOTENAY. Col. Baker Makes an Official Visit to the Gold and Silver Camps.

BAILY COLONIST. September 1.)

Discussess Educational Affairs With the People-His Impressions of **Rossland's Prospects.** 

their daily life. Lt.-Col. the Hon. James Baker, provincial secretary, has returned from a trip to West Kootenay, where he spent a week principally on educational busi-ness. He is in the best of spirits after his visit to the supposed camp of the enemy, and says that if anyone ever re-ceived a hearty welcome and the most reasonable and courteous treatment, it was he. He would expect to be well re-ceived in Kootenay under any circum-ceived in the pacele have a hearty week principally on educational busistances, for the people have a hearty sympathy of his many friends in this way with them that is very agreeable to

visitors, but from the tone of the pap-ers he looked for a far more hostile polisentiment than he encountered

Indeed while he observed a disposition to ask questions and to press all claims for consideration at the hands of the gov-ernment with earnestness and vigor, he found everyone ready to take a sensible view of things and quite prepared to meet A LONELY little postcard all the way from the banks of the Rhine passed through the local office a few days ago addressed to "The Leading Newspaper, Klondyke, America," with the mild review of things and quite prepared to meet him in his efforts to arrive at a quest for sample copies and rate of wages, etc., etc.

satisfactory solution of the various ques-tions of administration that came up. VICTORIANS as a whole will regret to learn that Adjutant Clark, who for some Thus at Rossland, where there are now time past has been in charge of the Sal-vation Shelter in this city, has been dren, he found a strong pressure for the purchase of expensive sc l house transferred to other scenes of usefulness sites; but on his pointing out that by a little delay the necessary sites could be His successor is Adjutant Philip, of little delay the necessary sites could be obtained either for nothing or at a nom-inal figure, and that negotiations were in progress to that end, his suggestion that such rooms as are needed for the ac-commodation of the pupils should be rented in the meantime was readily ac-ceded to, and when he informed the citizens further that whenever need was commodation of the pupils should be rented in the meantime was readily ac-ceded to, and when he informed the citizens further that whenever need was commodation of the pupils should be rented in the meantime was readily ac-ceded to, and when he informed the citizens further that whenever need was commodation of the pupils should be rented in the meantime was readily ac-ceded to, and when he informed the citizens further that whenever need was commodation of the pupils should be rented in the meantime was readily ac-ceded to, and when he informed the citizens further that whenever need was in the interests of the Portland Tele-torem While meany of the interedine the interests of the Portland Tele-torem While meany of the interedine the mean section of the pupils should be set of the mean section of the pupils should be set of the mean section of the pupils should be set of the mean section of the pupils should be set of the mean section of the pupils should be set of the mean section of the pupils should be should be associated with the should be associated with the should be associated with the set of the mean section of the pupils should be should be associated with the should be should be associated with the shoul Vancouver, with whom will be associated

felt for more room and more teachers gram. While many of the intending and the necessary information was sent passengers were formulating their griev to the department, the matter would at ances against the owners of the Bristol, once be attended to, the citizens expressed themselves as wholly satisfied.
