The Bank will trust you

Perhaps you never had an account in a bank-maybe you've never done business in a bank-hardly even cashed a cheque in

that is no reason why you cannot go to a bank and borrow money to buy Victory Bonds.

If you are a steady, industrious, thrifty citizen, working and saving a part of your income, you are just the kind of person Canada's chartered banks stand ready to help to-day.

Any bank will lend you as much money as you can save during the next twelve months with which to buy Victory

All you have to do is to pay ten per cent. of the amount you want to buy and deposit the receipt for that ten per cent. in the

The bank will lend you the 90 per cent. balance at 51/2 per cent. interest and will give you a year to repay it, the interest you get on your bond being just the same as the bank charges

This is a fine opportunity for you to begin a real savings account, to make a first class investment and to help your country at the same time.

Why not see a banker to-day—he will tell you all about it and you will be glad of the advice and help he can give you.

Business Standards for Business Men

For a quarter of a century, Fit-Reform Suits and Overcoats have been the standard for business.

Their sound styles; their general excellence of quality and workmanship; appealed to the business sense of men trained to demand value,

In these days of national economy, it is a pleasure to know that the Fit-Reform standard of quality has been, and is, steadily maintained.
