was called on to stop a number of shots in the second half.

Roos, Haldane and Woolford played a strong game on the Lorne forward line. All these boys are wicked shots, especially Roos and Haldane. Roos has plenty of weight and knows how to use it. In addition to this he is a pretty stick handler.

Haldane scored the first goal of the game, Kennedy putting the teams on even relations a few minutes later. Ryerson rooters yelled their heads off when Sanford zig-zagged through for the goal that put the North Enders ahead. Woolford jammed one past Kennedy before half time was called, again bringing the teams even.

The second half was pretty much Lorne, with Ross scoring four goals and Haldane two. Several of the winners were inclined to rough things up, but improved noticeably after a trip or two to the penalty box. The teams:

Two games had to be postponed vesterday owing to illness of the players.

The boys are improving all the time and the league is unearthing some youngsters who have a natural aptitude for the game, and who will make cracking good juniors in another two or three years. It is the intention of the L. A. A. A to keep tab on these boys and see that they all get out to practice next year.

Lorne Avenue School hockey team arrived at the Putherbough rink yesterday afternoon imbued with the idea that the Ryerson six would provide a nice light lunch, easily digested, but took on all the symptoms of a bad attack of indigestion during the first period, as the Ryerson kids held them to a 2-to-2 tie. In the second half the Lornes turned loose on their lighter and fast-tiring opponents and ran in six goals, making the final score 8 to 2 in their favor.

Ryerson has a snappy little player in Sanford, their captain, and he kept the whole team pepped up during the first half. Kennedy played a nice game, as did his brother in goal. The latter was called on to stop a number of shots in the second half.

The curlers enjoyed Scotch airs by Jamie Hamilton's juvenile pipe band. The juvenile pipers played the favorite songs of Scotland and received creditable applause from the Old Country curlers.
There was little speech making, as one of the Scotchmen explained that during the Canadian tour the Canadians have told the Scotchmen some 77 times that they are good fellows and the Scotchmen have returned the compliment. Scotland Thomson Wingham
