The best reason for using paint outside is because of the fact that it protects your property against the wear and tear of the weather.

Of course it improves the appearance too, and adds much to market value if you wish to sell, but the chief reason is that the building that is kept painted keeps in good condition.

We are Agents for Sherwin-Williams Paints and Varnishes. The makers of these paints have studied the principals of paint protection for years and so every Sherwin-Williams product wears well, and looks well.

There is economy in using good paint, so come and talk to us about—Sherwin-Williams Paint (Prepared) SWP for your buildings—S-W Porch Floor Paint for verandahs and porch floors—S-W Wagon Paint for wagons and implements—S-W Buggy Paint for buggies, automobiles, porch furniture, boats, canoes, etc.

We haven't space here to tell you about all the different Sherwin-Williams products. Just remember that there is a special S-W finish for every kind of surface. Come and see us about your painting needs.

Lambton Medical Society Petrolia, May 14.—At a meeting of the Lambton Medical Society held in the reception room of the Charlotte Engelhart Hospital, Dr. John Dunfield was elected chairman. The chief speaker was Dr. J. McGregor, of London, who, at considerable trouble had prepared an address on "Chronic Myocardial Insufficiency." The address was ably discussed by Dr. Reid, of Wyoming; Dr. Chalmers, of Oil Springs; Dr. Brown, of Camlachie, and Dr. McLean, of Inwood. The next session was taken up with the discussion of interesting cases. Dr. Chalmers, of Oil Springs, presented a case where there was a gall stone as large as a man's thumb, besides many smaller ones and the patient is doing nicely. Dr. Reid, of Wyoming, told of two cases of strangulated hernia, which he operated on with complete success. After adjournment the nurses of the hospital supplied a lunch. There was a very large attendance of physicians at the meeting.

Petrolia Man and the Duke Petrolia Tropic:—Jonathan Carter, Petrolia, was one of the few who had the privilege of a personal chat with the Duke of Connaught during his visit to Lambton county last week. Mr. Carter and the Governor-General served in the same regiment, 1st battalion, rifle brigade. The Duke was then a lieutenant and Mr. Carter a bugler. Mr. Carter went to Wyoming to see the Duke on Wednesday, and on walking to the private car, he met His Highness coming down the track. A sharp military salute brought the Duke to attention. "Seventy-one, sir," he inquired, and when told that the two had belonged to the same he shook hands right heartily with the old veteran. A pleasant half hour was spent in chatting about the glorious old times with the "First." "How old are you now?" asked the former lieutenant and now field-marshal on parting. "Seventy-one, sir," came the reply. "Well, I am sixty-four myself, but I suppose if there came a little row we would both be still good for a scrap."

Met Death Under a Land Roller Glencoe, May 15.—In an attempt to leap to safety from a roller which his runaway team was dragging swiftly across a plowed field, James Howgate, a farm hand, 35 years of age and unmarried, caught his foot in the tracing, fell beneath the flying roller and met instant death. The accident occurred on the farm of James Lethbridge, five miles south of here, early this morning. After Howgate had been dragged some distance the team was stopped by Lethbridge. It was found that the man had a broken neck and was terribly crushed. Howgate had worked on the Lethbridge farm for 14 years. He came 18 years ago from Leeds, England, where he had relatives.

Welsh Church Disestablished The Welsh disestablishment bill was passed in the British house of commons Tuesday. Among other things the bill provides that so far as Wales and Monmouth are concerned, the Church of England will cease to be established by law; all cathedrals and ecclesiastical corporations will be dissolved, the bishops of the Welsh dioceses will cease to be members of the house of lords; the present ecclesiastical court will not have any coercive jurisdiction, and the bishops and clergy will not be members of or be represented in the house of convocation of the Province of Canterbury.

HELD BACK BY DEADLY ANAEMIA Thousands of Growing Girls Yearly Fall into a Hopeless Decline

Anaemia—the doctor's name for bloodlessness—holds back many girls from the path to bright, healthy womanhood. At that all-important time when their veins should be full of rich, red blood, anaemia, creeping on them stealthily, robs them of sparkling eyes and a clear skin. They become languid and exhausted at the least exertion, their backs ache, their hearts palpitate violently, appetite fails, and their complexion changes to a pasty yellow, or they become deathly white. No medicine ever offered the public has bestowed such important benefits upon anemic girls as Dr. Williams' Pink Pills. They build up the body anew by making the rich, red blood that gives splendid health, bright eyes, a clear complexion and womanly brightness. Here is an instance out of many recorded thousands. Miss Delina Arsenault, Urbainville, P. E. I., says: "I suffered from an attack of anaemia which my friends feared at one time would prove fatal. I grew thinner every day, had dark circles around my eyes, could not sleep well at night and got up in the morning feeling tired and depressed. I suffered severely from headaches and pains in the back and limbs. I had to leave school, and was unable to do any work around the house. I had no appetite and frequently vomited what I did eat. I was under a doctor's care for eight months, but was growing worse and worse, and was almost in despair, when a friend advised me to give Dr. Williams' Pink Pills a trial. Anxious to get well, I decided to do so. After taking a few boxes I found a good improvement, and I continued taking the Pills until I had used nine boxes, when I was again enjoying perfect health, and I found on weighing myself that I had gained seventeen pounds. I have since enjoyed perfect health, for which I have to thank Dr. Williams' Pink Pills, and strongly advise all other ailing girls to give this medicine a fair trial." Every girl afflicted with anaemia, every woman who suffers from backaches and aches, and the other miseries that afflict her sex can secure new health and strength through a fair use of Dr. Williams' Pink Pills. Sold by all medicine dealers or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.
