> LEGISLATIVE SUMMARY. From the Sentinel

The Committee to whom the referred, have recommended that the duty on timber be levied at the shipping port; and the Bill which they reported has been read a first time, and ordered to be printed.

On Tuesday Mr. Freeze moved an Ad-

dress to the Lieut. Governor, praying His Excellency not to issue any more orders of Survey, until a statement of those which had been issued during the past year, was transmitted to the House. His object in moving the Resolution, was to prevent any order be ing issued, to survey a block of land which he said had been already surveyed.

he said had been stready surveyed.

On Mouday the House went into Committee on the Despatch, directing the return of Mr. Baillie to office; and after considerable debate, that was continued on Tuesday, and Commission which will appear in our next, a Resolution was passed, not to grant him a pension; expectation being generally expressed, that by proper representations, the exorbitant sa-lar; of £1200 which he at present enjoys, as

On Wednesday the House weat into Committee on the Bill providing for the tempora-John and after some discussion progress was reported. A petition has been presented day Mr. Brown brought up a Resolution re lative to limitation, to be determined by the Executive Government at the commencement Executive Government at the commencement of every Session, of the amount to be expended during such Session, agreeably to a statement of the finances to be transmitted: and after a short discussion, it was made the order of the day for Monday. Mr. Hill subsequently introduced a Resolution, which was laid on the table, relative to a proper responsibility on the part of the Executive.
