WIRE WOUNDS.

My mare, a very valuable one, was badly bruised and cut by being caught in a wire fence. Some of the woulds would not heal, although I tried many different medicines. Dr. Bell advised me to to use MINARD'S LINIMENT, diluted at first, then stronger as the sores began to look better, until after three weeks, the sores have healed, and best of all, the hair is growing in well, and is not white, as is most always the case in horse wounds.

F. M. DOUCET. Weymouth.

The fire loss in Canada for the year 1912 amounted approximately to \$23,000,000 or a per capita loss of \$3.07. To this must be added a per capita cost of maintaining fire brigades, of \$1,25, making a total tax of \$4.32 per capita. The number of lives lost as a direct consequence of fire amounted to 203 for the same
