GET ACQUAINTED WITH THE BEE-KEEPERS' REVIEW.

The December issue has 24 pages, a cut showing the "Home of the REVIEW," also an accompanying article descriptive of "The REVIEW, its Home, its Editor and his Family" This number shows more clearly, perhaps, the plan upon which the REVIEW is conducted, than does any single number that has preceded it. In its advertising columns will be found the description of a plan whereby all who wish, may secure the back numbers at a trifling cost. The special topic of this issue is "What will Best Combine with Bee-Keeping; and What shall Bee-keepers do Winters?" This number will be gladly sent free to all who apply, and with it will be sent two other numbers. **W. Z. HUTCHINSON, Flint, Mich**
