Tested Queens Only \$1.25.

I have a number of Beautiful tested Italian Queens, reared 1st season, for \$1.25 each. These queens are from a selected stock which I have been selecting year after year. I will rear a limited number of untested queens at \$1.00 each or 6 for \$5.00. My Special breeding queen is golden color and produces bees that are large, gentle and industrious. I have selected queens from other prominent breeders from which to rear drones. While I will endeavor to have the untested queens mated with pure drones, yet I will not guarantee to be always so. By buying the tested you run no risk.
