

and addressed the Sabbath School in the afternoon. Principal MacVicar, of Montreal, conducted anniversary services during the Christmas holidays.

On graduating in 1896, Rev. Geo. Gilmore at once went to London to take charge of St. George's Church, London Jct., and to assist Rev. Dr. Johnston. Then the work was not in a very prosperous condition, but under Mr. Gilmore's labors, in three years a beautiful church building had been erected, a manse secured, a congregation of over 200 gathered and large additions have been made to the membership.

The anniversary services of St. Andrew's Church, Winnipeg, are to be held on Jan. 28th, when Rev. Robt. Johnston, D. D., of London, Ont., will preach, and on Monday evening he will deliver a lecture on "Scotch Heroes in Church and State." Dr. Johnston is one of the most eloquent ministers of our Church. If we mistake not this will be his first visit to the West, and we would like to advise the people of Winnipeg to make a note of the above dates and to make sure of hearing him.—*Western Presbyterian*.

We clip the following item from a Western paper in which one of last year's graduates figures prominently. Speaking of a wedding the Moose Jaw *Times* says: "The young couple had the honor of being the first to be united in the holy bonds of matrimony by Rev. Samuel MacLean, B.A., who had just been ordained the previous afternoon. This being his first experience, the reverend gentleman exercised much care, and the nuptial knot was securely tied with great precision."

We hope soon to record Mr. McLean's own marriage.

The Boissevain *Recorder* says of the church at Breadalbane, recently opened by Rev. A. Currie, B.A., of Wawanesa who graduated in '86: "The church is a particularly pretty little edifice, both outside and in, and has a seating capacity of about one hundred and sixty." We are sorry to hear of Mr. Currie's resignation. Owing to ill-health he has to give up all work and is coming to Montreal to consult a specialist regarding his eyes, as he has been ordered to rest for at least
