Programme for the Week.

For the convenience of persons at a distance who may intend to bring live animals and articles requiring speedy and careful transit, the following particulars are given of the intended Programme of Arrangements. Further details will be made public some time previous to the show.

Monday, October 5.—The exhibition grounds and buildings will be opened this morning at 7 o'clock, and continue open during the day, till sunset, for the reception and arrangement of exhibition articles, and animals. Exhibitors on arrival will immediately report themselves to the superintendent of the exhibition, who will allot appropriate pens or space for their exhibits. This day none but members of the general committee officials, judges, exhibitors and necessary attendants will be admitted.

Tuesday, 6.—Live animals that may have been delayed by accident, cut flowers and hot-house plants, and perishable articles generally, will be received this morning from sunrise up to 9 o'clock A.M., precisely; when the judges in the various classes will meet at the Secretary's office, obtain the necessary lists of entries, and commence their duties forthwith. As soon as the
