To the Manager of the LI-QUOR TEA COMPANY :-

SIR,—I have much pleasure in forwarding the following testimonial :

In my late visit to England my attention was directed to the Li-Quor Tea Company of London. I became acquainted with the proprietor and originator of the scheme, and through him made myself familiar with all the workings of the Company. I was so much taken with the scheme that I considered it would be welcomed in Cana'a, as I am glad to find it has been. Since the Company opened their store in Toronto I have purchased their teas and find them of uniform and excellent quality, and I have added to my library works of such sterling merit as to commend themselves to every educated mind.

Yours faithfully,

W. J. SMYTH,

Pastor of St. Andrew's Church, Quaker Hill, Uxbridge.

We have received from Professor Croft, F. C. S., a certificate of the Chemical Examination of the two grades of Li-Quor Tea, purchased without our knowledge of the purpose for which they were intended. Of one sample he says :-

"The tea is pure; no facing or adulteration could be detected." And of another sample he says :-

"No facing or adulteration could be detected, and the article is of excellent quality, consisting entirely of pure tea leaf.

(Signed),

H. H. CROFT, F. C. S.
