*This amount must be repaid to these funds. Omitting this item there is an actual deficit of \$41,698.62 in the transactions of the year. Attention is especially called to two facts: 1. The general decrease in the receipts. 2. The large amount contributed by the Woman's Board. An independent Synod has been founded in Brazil, with the cordial approval of the Northern and Southern Presbyterian Churches. In Africa also the work has advanced, and everywhere throughout the many fields occupied by the Missions of the Board there is great encouragement.
