**MOST**  
of the portraits of your  
**OLD FRIENDS**

which have been reproduced in UPS AND DOWNS, were made by Chas. L. Rosevear, 538 Queen St. W., Toronto.

Unless the Workmanship of the Original Photograph be of the very best, the most skillful masters in the art of photo-engraving cannot produce a good picture.

Reproduction is the most SEARCHING TEST to which a photograph can be submitted. Ample and unimpeachable testimony of the excellence of my workmanship is therefore obtainable in the columns of UPS AND DOWNS.

Remember this for your own portrait may some day be required for publication.

My prices are moderate; my studio is easy of access from any point in the city—cars passing the door. Note the Address:
