A writer says; "I would not be without Eagar's Wine of Rennet in the house for double its price. I can make a delicious dessert for my husband, which he enjoys after dinner and which I believe has at the same time cured his dyspepsia.

Many ladies admire gray hair—on some other person. But few care to try its effect on their own charms. Nor need they, since Ayer's Hair Vigor prevents the hair from turning gray, and restores gray hair to its original color. It cleanses the scalp, prevents the formation of dandruff, and wonderfully stimulates the growth of the hair.

EAGAR'S PHOSPHOLINE is the best Emulsion yet made," is what a leading druggist in Canada writes; "we have no doubt of it." It is not the advertising, but its sterling worth that is making it known, and it is amongst the physicians and more intelligent of our merchants, mechanical and laboring classes that it is used.

No other preparation so concentrates and combines blood-purifying, vitalizing, enriching and invigorating qualities as Ayer's Sarsaparilla. Quality should be considered when making comparisons.

PHYSICIAN'S TESTIMONIAL.—J. F. Brine, M. D., Port Hill, P. E. I., writes:—Messrs. Puttner, Emulsion Co., Halifax. Dear Sirs—I have used your Emulsion extensively during the past four years, and have much pleasure in adding my testimony as to its efficacy. We had here last summer numerous cases of Whooping Cough and Scarlet Fever. I found the Emulsion answer admirably when the acute symptoms had subsided, in very many instances. In most wasting disorders, especially those peculiar to children, your Emulsion has rendered me good service, being pleasant to the taste and no feeling of nausea following its administration. It seldom fails giving good results, and I prefer it to any other preparation of the kind.

I am, yours respectfully,
J. F. BRINE, M. D.

A neighbour of ours lost a valuable mare recently, it is supposed from bots. If he had used 25 cents worth of Sheridan's Cavity Condition Powders he would have been driving his pretty Chestnut to-day. Sorry for you, Doctor. These powders are immensely valuable.

Beware of Imitations. —The original and genuine "Quinine Wine and Iron" was originated and prepared solely by Hamington Brothers, Chemists, St. John, N. B., under the name of "Hamington's Quinine Wine and Iron," and can be purchased of all druggists and general dealers throughout the Dominion of Canada. To guard against imposition see that Hamington's name is on the outside wrapper, and that the "Hamington's Brothers" on each bottle, none other is genuine. For sale by all druggists and general dealers in Canada.

It is stated from Berlin that Dr. O. Hahn has proved the existence of organic remains in meteorites.

A WORD OF EXPLANATION RESPECTING PUTTNER'S SYRUP.

In justice to the Medical Profession and general public, as well as ourselves, and to prevent mistakes, we wish to state that PUTTNER'S SYRUP or HYPOPHOSPHITES is entirely different from any other compound bearing the name of C. E. Puttner, and is the only one made under his supervision, and would request that Puttner's Syrup be asked for, as it contains no Cod Liver Oil. Sold everywhere. Price 50 cents.

Chapped hands. A few drops of Johnson's Anodyne Liniment rubbed into the hands occasionally will keep them soft and free from soreness. Soldiers, sailors and fishermen should remember this. It is the best Liniment in the world for any purposes.

From a gazetted notice it appears that in 1881 18,670 persons were killed by snakes in India, and 2,757 by wild animals.

A New Principle.

The principle upon which Putnam's Painless Corn Extractor acts is entirely new. It does not sink deep into the flesh, thereby producing soreness, but acts directly upon the external covering of the corn, separates it from the under-layer, removes the direct pressure from the part, and at once effects a radical cure, without any pain or discomfort. Let those who are suffering from corns, yet skeptical of treatment, try it, and by the completeness of the cure, they will be ready to recommend Putnam's Painless Corn Extractor to others. N. C. POLSON & CO., Kingston, Proprietors.

Testimonial from Capt. Joshua Harper.

Sackville, N. B., Feb. 13, 1877.
J. H. Robinson, Esq., St. John, N. B.

Dear Sir,—Early in October last I took a severe cold which settled on my lungs. After having a bad cough for about six weeks, I had a very severe attack of bleeding from the lungs, while on a passage from Queenstown to Dover. I had daily spells of bleeding for some days, until I lost about two gallons of blood, and was so weak as to scarcely be able to stand. I put back to Queenstown, where I received such medical assistance as enabled me to get home.

I saw an advertisement of your Phosphorized Cod Liver Oil Emulsion in a paper. I immediately sent and got half a dozen bottles, after taking which I feel myself a well man again. My weight, which was reduced to 120 pounds, is now up to my usual standard of 152 pounds. Seeing what it has done for me, I can confidently recommend it to others afflicted with lung disease.

Yours very truly,
(Signed) JOSHUA HARPER,
Of the barque "Mary Lowerson."

Robinson's Phosphorized Emulsion of Cod Liver Oil with Lacto-phosphate of Lime is prepared only by Hamington Bros., St. John N. B., and is for sale by Druggists and General Dealers. Price \$1.00 per bottle; six bottles for \$5.00.

A FRIEND FOR FORTY YEARS.

Over forty years have elapsed since Gates' Life of Man Bitters made its first cure in Nova Scotia, and since then hundreds and even thousands of the most remarkable cures ever known have been made by it. In its early history its fame spread over a large part of Nova Scotia, the United States and the West, by its own merits, without a word of advertising, and to-day it is the family medicine, of hundreds in the Lower Provinces and other parts of the Continent. The firm have just completed their new factory and will be better prepared to meet the increasing demand. As a blood purifier, nothing can be found to equal Gates' Life of Man Bitters, and Invigorating Syrup, and at this season of the year, when the blood undergoes a complete change, the strong and healthy as well as the feeble should alike look after this important matter, and thus fortify the system against disease. See advertisement column.
