Exampl'es have been found in this country of kyanized timber which was in a good state of preservation after 28 years' exposure, but it seldom lasts a very long time when used for railway sleepers.

**REWARD** offered to any person shewing a case of headache, toothache, cramp, bruise, sprain, cough cold, croup, quinsy, hoarseness, burns, or numbness of the limbs that can not be cured by Minard's Liniment. The greatest wrongs people commit against each other are those of which they are not conscious.

Prof. Thurston says: 'The assumption seems fair that the locomotive engine will have been superseded when we double our speeds, and that we must find ways to utilize the weights of the cars themselves for adhesion and to make each to carry its own motor.'

*Gents.*—We use your Minard's Liniment and consider it the best general remedy we can find. I have entirely cured myself of Bronchitis, and can get you lots of testimonials from people here if you want them who have been greatly benefitted by your wonderful remedy.

All that is needed to make a man hate himself is for him to take a good, square look at himself.

A society has revealed itself in England called the 'Proportionate Giving Union.' The members give a fixed part of their income to charitable works.

**DIPHTEBIA.**—To cure diphtheria use Minard's Liniment freely on the throat. ## THE TEACHEPS' ASSISTANT

To Explain and Illustrate the Canadian Church Sunday School Lessons, adopted by our Provincial Synod of Canada,  
Oct. 8th, 1890.

Price only 30 cents per annum.

Brimful of interesting matter on every Sunday's Lesson.

No Sunday-school Teacher who tries it will be without it.

The Bishop of Toronto thus writes respecting the Assistant:

"I strongly commend it to the notice of the Clergy of the Diocese, hoping that they will promote its circulation among their Teachers."

The Bishop of Algoma says:

"The Assistant" is certain to prove a valuable aid to conscientious Sunday School Teachers. Designed (as its name implies) to stimulate but not to supersede careful preliminary study of the lesson, it opens up new lines of thought, which cannot fail to give solidity to the instruction conveyed in the Sunday School that use it."

The Bishop of Niagara says:

"The Teachers' Assistant" will be valued by all who feel the need of their own minds being stimulated and informed before going to the class in the Sunday-school.
