

THREW AWAY HIS CRUTCHES—A TRUE ACCOUNT OF A REMARKABLE EVENT.

STATEMENT OF MR. M'NEE.

FOR eight years I was troubled with a sore on my leg which resulted from having it broken. The doctors kept me in bed five months trying to heal it up, but all to no purpose. I tried all sorts of salves, liniments, ointments, pills and blood medicines but with benefit. In 1883 it became so bad that I had to sit on one chair and keep my foot on another for four months. I could not put my foot on the ground or the blood would rush out in a stream and my leg swelled to twice its natural size. Eleven running sores developed on it which reduced me to a living skeleton—I lost 70 lbs. in four months. Friends advised me to go to the Hospital; but I would not, for I knew they would take my leg off. The doctor then wanted to split it open and scrape the bone, but I was too weak to stand the operation. One old lady said it had turned to black erysipelas and could never be cured. I had never heard of Burdock Blood Bitters then, but I read of a minister, Rev. Mr. Stout, who had been cured of a severe abscess on the neck by B.B.B., after medical aid had failed, and I thought I would try it. I washed the leg with the Bitters and took them according to directions. After using one bottle I could walk on crutches; after taking three, I threw away the crutches, took a scythe and went to work in the field. At the end of the sixth bottle my leg was entirely healed up; pieces of loose bone had worked out of it, and the cords came back to their natural places again. That was nine years ago, and it has never broken out since. I can walk five miles to-day as fast as any one, and all this I owe to B.B.B., which certainly saved my leg if not my life. I cheerfully recommend it to all sufferers. Give B.B.B. a trial, and it will cure you as it did me. Yours truly,

WM. McNEE, St. Ives P.O., Ont.
