## Educated Men and Life Insurance

Educated men should not and do not  
in most instances require to be told  
that men who abstain from the use of  
intoxicants are better risks and live  
longer than non-abstainers. They  
know too that careful selection of risks,  
economy in management and judicious  
investment of funds is what is neces-  
sary to make a company a great suc-  
cess.

These features characterize The  
Temperance and General Life Assur-  
ance Company, and commend it to the  
confidence of all intending insurers.  
No other Company in America has got  
such a body of total abstainers classed  
by themselves.

Manager.
