

Motor vehicles, emissions—Cont.**Standards—Cont.**

Government role, 17:25

Heavy duty vehicles, 1:20, 33; 2:10, 13; 18:42; 20:5, 7, 19-21

Revisions, impact, Transport Department analysis, 2:10-1

Light duty vehicles/passenger cars, 1:20, 33; 2:10; 18:42; 20:5, 19-22

Monitoring system, creating, 20:21-2, 25-6; 21:6

National Ambient Air Quality Objectives, 20:9-10, 20

Nitrous oxide emissions, 20:7

Non-conformance, penalties, 20:11-2

Off-road vehicles, 20:17, 26; 21:13-4

Particulates, 20:16-7

Revising, 17:18-9; 19:14

Technology, forcing, 20:11

United States, comparing, consistency, 1:33; 2:11-2; 6:22; 19:13; 20:10-1

Vehicles in use vs new, provincial authority, etc., 1:33; 17:18; 19:20-1; 21:22-3

Test methods, 20:5, 20-1

Costs, 21:23

Transport Department

Role, 20:7, 9-10
