co-operate with the Govt  
or any Govt so long as  
it means business. It  
had been from the interviews  
that I have had that  
the Govt may consider  
it wise as a political  
expedient, to give us a  
grant - If they continue  
in that frame of mind  
we will get it - If it  
is in the national welfare  
also so much the better -  
You know what I
