Lieut.-Colonel D. R. McCuaig,  
83 Notre Dame Street West,  
Montreal.

My dear Colonel:-

With reference to your letter of October 9th, I am to-day writing to the Governor General conveying to him the wish of the officers of Montreal that he be their guest on the evening of November 12th. I shall let you know immediately I receive his decision.

If he comes I shall be very glad to preside at the dinner, though if he does not, I do not care to undertake that responsibility, in view of the fact that I am participating in two functions on Sunday, November 11th and in another on Monday, November 12th.

Yours faithfully,
