Fresh and reliable Testimony.

"WISTAR'S BALSAM OF WILD CHERRY.—We call the attention of our readers to the
advertisement of Wistar's Balsam of Wild Cherry, and assure them that they can
find no better remedy for Coughs, Colds, Asthma, Bronchial Affections, or any dis-
ease of the throat or lungs.

"In August, 1858, an estimable friend of ours returned from the country much
emaciated, and laboring under a severe cough, which had made such rapid inroads
upon her constitution, that we felt something must be done at once, or she would
become a victim of consumption. Having known the beneficial results which
have occurred from the use of Wistar's Balsam, we made purchase of some for
her, and we are happy to say that before she had taken the contents of one bottle
her cough had entirely left her, and she is now in the enjoyment of excellent
health."—*Olive Branch, June 25th, 1859.*

All who suffer from any disease of the Throat, Lungs, or Chest, can obtain like
relief by using **A CURE FOR WHOOPING COUGH & CROUP.**

ST. HYACINTHE, CANADA EAST, Aug. 21, 1859.

MESSRS. SETH W. FOWLE & Co. *Gentlemen:*—Several months since a little
daughter of mine, ten years of age, was taken with Whooping Cough in a very ag-
gravated form, and nothing we could do for her seemed in any way to relieve her
suffering. We at length decided to try a bottle of your Dr. Wistar's Balsam of
Wild Cherry. In three hours after she had commenced using it she was greatly
relieved, and in less than three days was entirely cured, and is now well. I have
since recommended the Balsam to many of my neighbors, who have used it, and
in no case have I known it to fail of effecting a speedy cure.

You are at liberty to make any use of the above you think proper. If it shall
induce any body to use your Balsam I shall be glad, for I have great confidence in
it.

Yours,

P. GUITTE

Proprietor Courier de St. Hyacinthe.

CONSUMPTION CAN BE CURED.—Sir James Clarke, Physician to Queen Victoria, and
one of the most learned and skillful men of the age, in his Treatise on Consump-
tion, says:—"That Pulmonary Consumption admits of a cure, is no longer a mat-
ter of doubt; it has been clearly demonstrated by the researches of Laennec and
other modern Pathologists."

The mere fact that such a disease is ever curable, attested by such unimpeach-
able authority, should inspire hope, and reanimate fallen courage in the heart of
every sufferer from this disease. The remedy which we offer has cured thousands.
Wistar's Balsam of Wild Cherry not only emanates from a regular physician, but
has been well tested in all the complaints for which it is recommended.

Beware of Counterfeits!—The only Genuine is prepared by S. W.
FOWLE & Co., Boston, whose printed name, as well as the written signature of L.
BUTTS, on the outside wrapper. Sold by Druggists and Dealers in Medicines gen-
erally. Agents—Morton & Cogswell, G. E. Morton, Brown Brothers & Co., Halifax.
