**The Quality
Car**

"Built in
Canada for
Canadians"

If You !!

—were buying a car, your first thought would be to investigate—then why not inquire about the new Chevrolet "Four" five passenger touring car, which offers the best Car quality on earth and priced well within the reach of the average pocketbook. Its graceful design and mechanical equipment eclipses all others and is the last achievement in automobile engineering.

Brief Specification—Motor, four Cylinder Carburetor, zenith improved; Sim's High tension, magneto; cone clutch; selective type transmission; tires 30 x 3½ inches; wheel Base 102 inches and complete equipment. \$70.00 extra for starting and lighting system.

Write or call for booklet.
