Instead of messy plasters—

Apply Thermogene to that Pain!

SIMPLY place a piece of Thermogene, just as it comes from the box, over the affected part. It is a quick and certain remedy for Backache, Lumbago, Grippe, and all ailments caused by cold and damp.

THERMOGENE

CURATIVE WADDING

(Vandenbroeck's Process)

This medicated wool gives warmth and acts upon the blood-vessels through the skin. Works until removed—never grows cold and clammy, like the messy-old-fashioned poultice. Quickly dispels all soreness and inflammation. Full directions in every box.
