BOTH PARTIES BUSY

That this meeting, composed of the farmers of Tecumseth and Adjala Townships; also citizens of Tottenham and surrounding villages, wish to place themselves on record as being unalterably opposed to reciprocity, believing that it is immical to the agriculturists of this great Dominion, consequently this being the case it must necessarily follow that the best interests of Canada as a whole are thereby sacrificed largely. We further desire to express our confidence ther desire to express our confidence and unswerving loyalty in the leader of the opposition in the house of com-mons, R. L. We also heartily endorse the course taken by our worthy representative of South Simcoe, Mr. Haughton Lenox, on this the question of reciprocity, and all other vital questions af-fecting the welfare of this great coun-

if the trouble was because she loved him so.

Miss Haswell was delightful in the role of the jealous wife, and was tactfully supported by Fred L. Tiden, as Oliver West, Miss Caroline Harris gave a fine interpretation of the part of Mrs. Weatherby, Gertrude's mother, and Miss Angela Ogden made a vivid character part of the old and privileged nurse. Miss Alice Putnam, as Senora Adelina Gonzaks; Booth Chapin, as the maid, Susan, Miss Catherine Robinson, as Mrs. Jackson, were all good, and Miss Lillian Scott was seen to advantage in the role of Julia Langer.

Churches May Unite.

KINGSTON, June 26.—(Special.)-The union of Presbyterian and Mechurches at the Village of Portsmouth is likely owing to the fact that the membership of both congrega-tions is very small and it is di cult to keep up expenses. A committee from each church has been appointed to discuss the matter.

Busy Monday at Station, Yesterday was the heaviest Monday for passenger traffic at the Union Station for years, excepting when holidays fell on that day. Almost every incoming train had one or two extra coaches.

Time for Biscuit and Berries

When your think of strawberries or other fresh fruit, think of

SHREDDED WHEAT BISCUIT

the cleanest, purest, most nutritious of all the cereal foods—combines most naturally with all kinds of acid fruits-better than the soggy white flour dough of ordinary short-cake and more easily digested. A Summer delight and a stomach joy for those who like good things to eat and who have to cut out heavy winter foods.

Heat a Shredded Wheat Biscuit in the oven to restore its crispness; then cover with strawberries, raspberries, or other berries and serve with milk or cream, adding sugar to suit the taste. A dish of Shredded Wheat with berries and cream is the bright spot in a dull day. It will keep the stomach sweet and clean and the bowels healthy and active. An ideal Summer food, ready-cooked, ready-to-serve. Your grocer sells it.

Two Shredded Wheat Biscuits with milk or cream and a little fresh fruit will supply all the energy needed for a half day's work or play.

Bob Wall, the former Montreal player, now with New York Crescents, scored five of the seven goals against Toronto Rowing Club at Bay Ridge last Saturday

The Hewitson mentioned in the New York despatch of the Toronto Rowing Club game is Bobby Hewitson, last year with the Capitals. He played for T. R. C., not New York, as stated.

Bob Graham, well known in lacrosse circles, is seriously considering making. New York his home. Bob has received the offer of an excellent position in the big city, and has practically accepted.

The Torontos will practise every night this week at Scarboro Beach in order to get in best possible condition to play the fast Montreal team at the Beach on the holiday. This game is one of the really important ones, and Torontos are determined to be in the best possible condition.

Tecumsehs practise to-night at the island. They are scheduled to play at Ottawa Saturday, and on form should still be without a loss after the holiday.

The Montreal Gazette had the following about the National-Toronto game on Saturday: An outstanding feature of the play, and one that was particularly noticeable to the old fan, was the manner in which the defence men used their bodies in checking, almost to the exclusion of the stick check, the effectiveness of which has been so seriously handicaped by the new rules. This manner of play resulted in a number of bad tumbles, the checker as the checked. The National defence adopted this style to a greater doubt, to the large number of penalities earned by laying on the wood in previous games. In most cases it was effective.
