WHAT DOES "RIGHT AWAY" MEAN?

NE WEEK AGO today Sir Edward Kemp, successor of Sir Sam Hughes as minister of militia, made the following statement at Camp Borden:

London, Ont., Saturday, August 18.

"The conscription bill will be put into force right

What does "right away" mean? Did it mean the Monday after the Saturday on which the words of authority fell from the lips of one of the mightiest of the Conservative money barons? Decidedly not, A week has passed and the bill has not been brought up again in the House of Commons, as it must be before getting in the pumpkins; the hazelnuts start funny things. The conductor ripe; glorious sunrises, and the days a lof the column had this rould on him the Kemp way of expressing "watchful waiting." The phrase is almost as convenient. After the reporters had been more than a ripe; glorious sunrises, and the days a tonic and not an insect to annoy, and the qualls as fat as butter.

When Nan had fed the hens, tamed the colt, talked with the pigs and warned the gander that if he bit her she would go right home—when she would go right home. almost as convenient. After the reporters had been waved away by Sir Edward with his ready "right away," they may have thought the statement meant something, but it really doesn't mean anything. "Right away" translated in the language of the present administration becomes a life sentence of expectation.

As far as "right away" conscription is concerned it would seem that something is blocking the right of way. The menace of Quebec firebrands and dynamiters grows, with no word of rebuke the exclamation. "I shall go hunting from the powers at Ottawa. Statements for which Ontario speakers or newspapers would be jailed or suspended, respectively, are filling the sedition sheets that found their strength in the Nationalist-Tory alliance of 1911. His Excellency the Duke of Devonshire called the leaders together and the meeting may have been more momentous and productive than the people have been permitted to ascertain. The people of Canada are kept in the

Fogs of mystery swamp the clear light that should beam from Parliament Hill. "Right away" from the conscripttionist government echoes away into silence. And the politicians play their petty games and give rewards to star witnesses.

NEW YORK, N.Y .- Since the remark-ALEW 10KR, N.1.—Since the female able discovery of organic Iron, Nuxated Iron, or "Fer Nuxate," as the French call it, has taken the country by storm. It is conservatively estimated that over It is conservatively estimated that over three million people annually are taking it in this country alone. Most astonishing results are reported from its use by both physicians and laymen. So much so that doctors predict that we shall soon have a new age of far more beautiful, rosy-cheeked women and vigorous iron men.

HATTIE WARREN.

Port Robinson, Ont., July 8, 1915.

"We have used 'Fruit-a-tives' in our house for over three years and have always found them a good medicine. Our little girl, Hattie, was troubled with Kidney Disease. The doctor said she was threatened with Dropsy. Her limbs and body were all swollen and we began to think she could not live. Finally, we decided to try 'Fruit-a-tives.' She began to show improvement after we had given her a few tablets. In a short time, given her a few tablets. In a short time, the swelling had all gone down and her flesh began to look more natural. Now she is the healthiest one in the family and has no signs of the old ailment. We cannot say too much for "Fruit-atives' and would never be without them."

WILLIAM WARREN. "In the most common foods of America, the starches, sugars, table syrups, candies, polished rice, white bread, soda crackers, biscuits, macaroni, spaghetti, tapioca, sage, farina, degerminated cornmeal, no longer is iron to be found. Refining processes have removed the iron of Mother Earth from these impoverished foods, and silly methods of home cookery, by throwing down the waste pipe the water in which our vegetables are cooked, are responsible for another grave iron loss.
