Complete
Speedometer for a Ford

It may be obtained in black or
nickel finish. The instrument board,
which is included, is covered with black
leatherette and has end brackets. The
rest of the outfit consists of a flexible
shaft and casings and helical gear drive.
This outfit, it is said, can be applied by
anyone in 20 minutes with a wrench
and screwdriver. Though if you
prefer, we've arranged with an expert
mechanic, who will install the above
speedometer for \$1.00.
