HAMILTON DESIROUS OF SECURING REBATE Eighteen Thousand Dollars From Hydro Not Handed Over Yet KEEP SOLDIERS YEARLY Plan to Purchase Big Site Where Men Could Remain.

HAMILTON, Ont., Jan. 22.—The local hydro commissioners had a private session this morning in regard to a letter received yesterday from Sir Adam Beck, in connection with the effort the city is making to get a rebate of \$18,000 on 10 years' power account. The city got an intimation at the close of the year that it would receive this amount, but so far it has not been turned over.

Major Walters and Controller Morris returned this morning from Ottawa, where they attended a conference under the auspices of the commission on conservation of city planning, etc. Mayor Walters delivered a speech on Municipal Planning. The more important part of the trip was a visit to the two local delegates to the conference, showing how they can work in conjunction with the hydro to the satisfaction of all.

Valuable Horses Burned. Strathearn B. Thompson, who recently returned to Canada after a trip to England in the interests of the Canadian Remount Department, suffered a heavy loss last evening when his stables at Ancaster were destroyed by fire. A number of valuable horses were smothered or burned to death, among them being one horse he brought back from England, which was very valuable.

Hamilton taxpayers will likely enjoy a 20-mil tax rate this year. The war department holds the key to the situation, and the officials there claim that last evening when his stables at Ancaster were destroyed by fire. A number of valuable horses were smothered or burned to death, among them being one horse he brought back from England, which was very valuable.
