

Think of the Good You Can Do

It was Charles Dickens—the friend of the fatherless and the oppressed who said: “The two grim nurses—poverty and sickness—who bring these children before you, preside over their births, rock their wretched cradles, and nail down their little coffins.”

A Sick Child

Appeals to Your Love Your Pity and Your Gold

When, to the little one's sickness is added the misfortune of dire poverty there is no stronger claimant for charity—no stronger appeal to your heart's sympathy, your practical charity.

When you are making your WILL think of the great charity on College street, Toronto, where 4,000 sick children every year are cared for.

**The Hospital needs money—needs it
badly—and this appeal is for you.**

As many enquiries are made as to the terms on which persons may leave money by will to the Hospital for Sick Children, it has been thought well to publish the conditions.

The Hospital can legally receive any amount of money which may be given or bequeathed.

The Hospital can also take by gift, devise, or bequest, any lands or tenements, or any interest therein, the annual value of which does not exceed \$15,000, provided the gift, devise or bequest is made at least six months before the death of the person making the same. The clause in the will may be in the following form:—

“I GIVE, DEVISE AND BEQUEATH TO THE HOSPITAL FOR SICK CHILDREN AT TORONTO, THE SUM OF DOLLARS,” and also, if lands be given, this clause to read:—“I GIVE AND DEVISE TO THE HOSPITAL FOR SICK CHILDREN AT TORONTO, THE FOLLOWING IN LANDS (DESCRIBING THEM).”

In cases where death is apprehended within six months, and when therefore the devise of lands would probably fail, it will be advisable to put the bequest in this form:—

“I GIVE AND BEQUEATH TO THE HOSPITAL FOR SICK CHILDREN AT TORONTO, THE SUM OF DOLLARS, TO BE RAISED AND PAID OUT OF MY MONEY AND PERSONAL EFFECTS.”

The corporate name of the Hospital is “The Hospital for Sick Children,” Toronto.
