The Victoria Rink opened last night and at least 1200 people passed through the gates and enjoyed their first spin on the steel blades. For some months they had been going about on the rollers and last night they all voted that the wheels were not in it for a minute with the good old steel blades. It was not until before there were a few old time "breakers" and the glowing faces of the skaters as they glided gracefully along clearly demonstrated that man will never see the time when ice skating will cease to be the great and beautiful pastime of the winter months.

THE FIRST GOLD MEDAL

The Exhibition Commission make a precedent in issuing one to The Dunlop, Cooke Co. Ltd.

Everyone who remembers any special feature of St. John's late fair must carry plastic recollections of the striking fur exhibit of The Dunlop, Cooke Co., Ltd., which undoubtedly was the most attractive drawing card in the whole exhibition, and especially because the grand and costly garments and skins shown were of special interest to everybody, and hundreds went to the fair for the express purpose of seeing this exhibit.

In recognition of the special merits of The Dunlop Cooke Co. exhibit and in double tribute to the view to encouraging similar exhibits of an equally high order, the St. John Exhibition Association have gone out of their way in providing a special award, such as has never before been granted by a New Brunswick Exhibition Association.

The following letter received by The Dunlop, Cooke Co., Ltd., is self-explanatory and the sentiments expressed therein will be applauded by the citizens of St. John and by others throughout the province who had the privilege of viewing one of the finest exhibits of fine furs seen at any exposition anywhere:

St. John, N. B., Nov. 12th, 1906.
Messrs. The Dunlop, Cooke Co., Ltd.,
St. John, N. B.

Gentlemen:

The Exhibition Commission in considering the exceptional merit of your fur exhibit here in September, 1906, have felt that some special recognition should be made to encourage exhibits of the same high order.

I have pleasure in advising you that you have been awarded a special gold medal.

I trust you will appreciate the association's desire to show their recognition of your splendid exhibit, and wish to point out that it has been seen by more than 100,000 of the association at any previous exhibition.

I remain, yours faithfully,
F. J. MILLIGAN,
Manager.
