

## MAKE APPEAL IN AID OF ORPHANS

Directorate Ask \$12,500 to Assist in Maintaining Institutions

Overdraft Increases—Of \$290,000 Pledged for Building, \$230,000 Received.

The overdraft on the maintenance fund of the New Brunswick Protestant Orphanage has continued to grow during the last month, it was reported at the meeting of the directors held yesterday afternoon in the Board of Trade rooms, with D. C. Clark, president, in the chair. An appeal for support of the maintenance fund has been sent out to 12,500 persons, contributors to the building fund, who have paid their pledge to the fund in full but have made no contribution towards maintenance in 1925. It is hoped that this appeal may bring some relief from the present unsatisfactory financial standing of the maintenance fund.

H. Usher Miller, treasurer of the building fund, reported that the final payments, amounting to \$50,000, had fallen due on July 1 and, although there had been only one day since the due date, the payments received had been very encouraging.

\$290,000 Pledged.

In the whirlwind campaign of December, 1924, the Protestants of New Brunswick pledged \$290,000 towards the new buildings and more than \$230,000 of that sum has already been paid in. It is feared that it may not

be possible to collect \$10,000 of the amount promised.

The reports presented at the meeting showed the health of the children to be reasonably good. The Britain Street Home is filled to capacity, housing 70 children, under 4 years of age, and there are 117 children in the Manawagonish Road institution.

Director Resigns.

The meeting received with regret Mrs. W. C. R. Allan's resignation from the directorate, which was presented because of her removal to Toronto. The vacancy will be filled at the next meeting of the board.

The matter of the appeal to the churches for their annual collection in November was considered and the purchase of the usual supplies of envelopes and other material was authorized.

For the ensuing month Mrs. H. B. Robinson was appointed the visitor for the Manawagonish Road Home and Mrs. T. A. Graham visitor for the Britain Street Home.

**TUNNEY VS. HERMAN.**

KANSAS CITY, Kans., July 3.—Gene Tunney, United States light heavyweight boxing champion, will meet "Italian Jack" Herman, New York heavy, in a ten round no decision bout here tonight. Herman will have the advantage in weight, but Tunney is a decided favorite.

## WAS AT GREETING FOR NEW STEAMSHIP

D. W. Ledingham, Home From Halifax, Says Newfoundland is Fine Vessel.

D. W. Ledingham, local manager for Furness Withy and Co. Ltd., returned yesterday from Halifax where he was attending a reception and entertainment aboard the new Furness liner Newfoundland on her maiden voyage across the Atlantic. He described the vessel as being up-to-date in every way and added that the furnishings were the most magnificent he had ever seen on a steamer.

The Newfoundland was constructed by Messrs. Vickers Ltd. at Barrow and develops a speed of just over 16 knots. The liner, which is an old burner, is a combined freight and passenger boat with accommodations for 100 first class and 30 third class passengers. She was built expressly for the Liverpool, St. John's, Halifax and Boston service. The dimensions are length, 423 feet; breadth, 58 feet 8 inches; depth, 34 feet 4 inches; net tonnage, 4,150. The vessel can be converted so as to use coal if necessary.

The holds and 'tween decks are specially arranged for grain transport and two of the 'tween deck spaces are insulated. The special combined automatic and mechanical weatherproof system of ventilation has been installed. The first class dining saloon is paneled in oak fumed to a pleasing grey color with raised mouldings and quartered centres to the panels. The main staircase is lined with oak wainscoting in the style of the Jacobean period. The lounge and music room are decorated in the English style of the latter part of the 18th century. The smoke room is paneled in rich figured walnut in the style of the William and Mary period.

While at Halifax the vessel was thrown open for inspection and many took advantage of the opportunity to view the new liner. The reception and dance was attended by many prominent Halifax citizens. Mr. Ledingham said: He added that he expected the new vessel would be a splendid addition to the Canadian service of the company.

## HEAR EVIDENCE ON OCEAN KING LOSS

Inquiry Begins in Montreal With Evidence of Several Witnesses.

The official enquiry into the loss of the tug Ocean King, which was sunk in collision with the Marloch, was begun last Tuesday in Montreal.

Capt. A. Landry and Capt. J. P. Dufour, assistant harbormaster of Montreal, sat as assessors on the bench with Commissioner Deners. A. R. Holden, K. C., was supported by Capt. J. T. Walsh, marine superintendent of the C. P. R. C. F. Inches of Saint John supported Francis King, K. C. H. N. Chauvin, K. C., reported the Navigators' and General Insurance Company.

Capt. G. Hamilton, commander of the Marloch, testified that the steamer was sailing at slow speed, about four or five knots an hour, at the time of the accident and the full speed astern signal was given as soon as it was seen that the tug was ahead of the steamer.

First Officer Robertson of the Marloch said it was only a matter of seconds from the time he saw the tug ahead of the liner until it was bottom up. He could not give any reason why the tug capsized.

**IS ACTING CHIEF.**

**STRIKING WINE BOUT.**

CHICAGO, July 3.—Young Striking defeated Johnny Risko, Cleveland heavyweight, in ten rounds last night.

## Repair Crossing At Union Station

Workmen were busy yesterday morning and afternoon making repairs to the C. P. R. Mill street crossing on the south side of the Union Depot. The cobble stones between and on either side of the C. P. R. suburban track have become chipped and broken of late and their uneven surface has presented an uncomfortable road for motorists and pedestrians crossing the track.

The C. N. R. delegated members of their construction department to work yesterday and by last evening new stones had replaced the old and a smooth gravel bed had been laid out. This bit of work is much appreciated by motorists who may now drive over the crossing without being roughly jolted.

Success is being in "the right way," happiness is keeping well away from it as "mad," they merely mean that he is rather interesting.

## Milltown Defeats St. Stephen in Fast Game

In the Border Town League last evening Milltown defeated St. Stephen 2 to 1. Paul pitched for the winners

and Carruthers for the losers. Moore of this city was playing left field for the winners but had an easy time of it not having a put out or assist to his credit. He was up three times but failed to get a hit. Gene Tippetts on the St. Stephen line-up failed to get a hit out of four times up. Paul had six strike-outs and Carruthers two.

WITH FRANCES HOWARD

**"The Shock Punch"**

THE STORY HAS TO DO WITH A YOUNG MILLIONAIRE who dreams the thought of getting "soft" and hires a couple of professional pugilists to keep him in trim. Frances Howard is the girl in the case. She is the daughter of a building contractor who likes Dix but doesn't take to his little accomplishments. Dix tries to cool down, but everywhere everyone seems to be tempting him to demonstrate the famous "shock punch" he has developed as the result of weeks' strenuous training. And he does, not once but several times, and when that old blow hits home, you'll almost break the handles off the seats.
