The two families had quickly moved out along with some of their furniture and the No. 2:Salvage Corps members assisted greatly in saving the different articles. Owing to the fire through the roof, and because of smoke and water, the building, which is rather old, was quite badily damaged. It is understood that there is no insurance on either building or the contents.

Just one teaspoonful for each dishwashing

LUX is so rich in pure soap, that just one teaspoonful of the satin-like Lux flakes makes the dishwater soapy all through.

One swish of the dishmop, and your dishes are sparkling and clean. No need to dry them when you use Lux. Simply rinse them out in hot water, and place them on the dishrack to dry. Lux does not leave them streaky and cloudy, but spotless and glistening in their original beauty.

For pretty hands

And Lux is so easy on the hands. It is as pure as a fine. toilet soap, and hands which have become coarsened or reddened through dishwashing with strong soap will soon be restored to the soft, smooth texture so much desired, if you use Lux in the dishpan.

Women Wearing More White

The Ladies are swinging away from colors in overblouses, etc.—that is, for every day use. You know there was some sense in buying a navy or a brown or black. They didn't show mussing so much.

But now that so many bargains in dainty dimitys are on the go in mid-winter sales and Dollar Day, there is a crisp freshness about white that's specially becoming.

And white does not show specks like it once did. Because laundered economically. The New System Wet Wash supplies the explanation.
