RESUME S. S. SERVICE.

Halifax, N. S., April 2—It is reported here that the Furness Withy Company will re-establish the New York-Saguenay steamship service this summer, with Halifax presumably a port of call. The other ports on the route are Charlottetown and Quebec.

The ship to be placed on the route, it is said, is in the neighborhood of 5,000 tons, and a sister ship of the Fort Victoria, on the New York-Bermuda route.
