Evers as Coach.
Boston, May 7.—The signing of Johnny Evers, former National League player, as coach of the Boston College baseball team, is announced. He will take charge at once.

Said to Have Jumped.
Toledo, May 7.—Pitcher Willis of the Columbus Club of the American Association, has jumped the club, according to an announcement made by Manager William Clymer. He said the pitcher's whereabouts are not known.

Gets Release From Sox.
Cleveland, May 7.—Paddy Livingston,

veteran major league catcher, has arrived at his home here after having secured his unconditional release from the Boston Red Sox.

The Sluggers.
Toronto, May 7.—A Globe despatch says:

Yesterday's major league games did not bring about any marked changes in the honor list of batters, except that Deubert has been ousted from the National League roster by George Burns, slugging outfielder of the New York Giants, and Wheat of Brooklyn has moved into third place, ahead of Kroh of Cincinnati. Young Lebourveau, the Phillies' sensation, gained materially on Hornsby of St. Louis for the leadership. The French-Canadian recruit increased his average from .375 to .400.

There was no change in the order of the first five in the American League. The batting race in the Johnson circuit is very close. Weaver of Chicago leads the star quintette with twenty-four hits, while Jackson of the same team has twenty-three. Speaker and Sisler each have twenty-two, and Johnson of Cleveland twenty-one.

Border Baseball League.
St. Croix Courier: Enthusiasm is running high these days in local baseball circles.

At a meeting held in Calais on Thursday evening last the St. Croix League was reorganized. The five teams which composed the league last year were strongly represented, and all seemed eager for the season to open. Ed Chase was unanimously elected president and Mr. Dow of Woodland secretary.

An invitation, open for one week, was extended to Eastport to join the league and have a representative at the meeting on May 6. The down-river boys have always had a strong team, and it is hoped that they will see their way clear to coming in. In any event, the fans are assured of a good summer of baseball. Already requests have been received from outside teams asking for dates and some strong aggregation will be seen in action on the local diamonds this season.

ATHLETIC

Woman Killed at Meet.

Bowling Green, Ohio, May 7.—While attending a school field meet, in which her son was a participant, Mrs. F. Mahle, forty-six, mother of three children, was killed yesterday when a bullet said to have been fired from a starter's pistol struck her in the chest.

Want Government Transport.

New York, May 7.—Members of the American Olympic committee will appear before the house committee on military affairs in Washington next week to plead for the use of a government transport for the United States team to compete in the Olympic games in Antwerp.

According to a statement, commercial steamship travel conditions are such that it is doubtful if a representative United States team can be sent to Belgium unless government assistance is obtained.

A bill amending the law to permit the use of a government transport by the American Olympic team was passed in the senate several weeks ago, but similar action by the house has been delayed.

Famous Sprinter Dead.

London, May 6.—Rustin Miller, a famous English sprinter, is dead in his forty-first year. He served in the war as a captain in the Essex Regiment, and was badly wounded in Gallipoli. Between 1902 and 1908 Miller won the Essex County 100-yard championship five times and once ran a dead heat for first place with H. Sutton. Harmer. With three yards' start from Arthur A. Duff, he won a 100-yard handicap in 9.4 seconds.

THE RING.

Wilson Wins Championship.

Johnny Wilson, of Boston, defeated Mike O'Dowd, champion middleweight of the world, in a twelve round staged in Boston last night. Wilson knocked O'Dowd down in the fourth round and had the better of eight, two went to the ex-champion and two were even. The referee awarded his decision in favor of the Boston boy, who was carried from the ring by admirers. O'Dowd protested the decision claiming he should have had a draw.

Did Not Want Substitute.

The proposed bout between Mike McTigue and Billy Kramer, which was to have taken place in Halifax last night did not materialize. Kramer claimed to be sick and sent a substitute, who was not acceptable to the promoters.

Barfield Saves Mother.

New York, May 6.—Soldier Barfield, a Brooklyn boxer, writes from Smetryn, Poland, where he went to bring his mother and sister to this country. He says the country is in a deplorable condition, and all one can see for miles is graves. He reports the people near to starving and he got there just in time to save his people, he said. He was in Paris for two months, where he won two bouts, stopping Gabriel Pioness in nine rounds. He is booked for more bouts in Paris and London. He expects to return to this country some time this month.

Brennan's Victory.

Rochester, N. Y., May 6.—Bill Brennan of Chicago outfought Ole Anderson of Tacoma here tonight in a ten round bout. Brennan hit Anderson almost at will after the fourth round, but could not land a knockout blow. Brennan weighed 195, Anderson 186.12.

THE CYCLE.

In Amherst.
Amherst News: Some bicycle riders are figuring on taking up the speed and distance game this summer. There is material in Amherst, both developed and latent. Before the war the town was a regular hot bed for the bike men. After the war the sport deteriorated. Now the pedal pushers are anxious to have the game revived. If the quarter mile track on the athletic field was only in shape, the bikeists could have a good summer's sport.

FOOTBALL.

Scottish League.

London, May 6.—A Scottish League Association game played today resulted in a win for Albion over Lanark by a score of 3 to 2.

THE TURF.

New Bridgewater Track.
Bridgewater, N. S., will have a new half-mile race track ready by the fall. Work to put the track in shape was begun a few days ago, and by the time the exhibition season comes around, it is expected the town will have one of the most up-to-date tracks in the province. Great things in the harness game are looked for and it is reported that several fast horses will be imported who will not only race their ponies on the
