Bell Phone Operators May Get to \$18—Conciliation Board Hears of Agreement

Toronto, Oct. 4—After a private conference today the representatives of the Bell Telephone Company and the switch board operators union reported to the board of conciliation, of which Judge Snyder of Hamilton is chairman, that the wage schedule had been agreed upon. A minimum of \$11 a week is struck when the operator commences work after her period of training, and this is increased every six months until a maximum of \$18 in the case of long distance night operators is reached. The maximum of day operators is \$15 and \$16. During the one month training period the wages is \$10 a week.

INDEPENDENT OF GERMANY IN SUPPLY OF POTASH

Washington, Oct. 5—Dependent almost wholly upon Germany for potash at the outbreak of the war, the United States within two years will be able to manufacture enough of the mineral to supply the nation's needs, said Secretary Lane last night in reviewing the progress made by private concerns and the department of the interior in developing means of producing potash.

SEPARATE SEALED TENDERS addressed to the undersigned, will be received until 12 o'clock noon, Tuesday, October 22, 1918, for the construction of an Administration and Surgical Building, Officers' Ward, Neurological Ward, Orthopedic Active Treatment Ward, and Nurses' Home, Military Hospital, Camp Hill, Halifax, N. S.

Plans and Specifications can be seen and forms of tender obtained at the office of the Chief Architect, Department of Public Works, Ottawa, the Inspector of Dominion Buildings, Halifax, N. S., and the Superintendent of Military Hospital, Camp Hill, N. S.

Tenders will not be considered unless made on the forms supplied by the Department and in accordance with the conditions set forth therein.

Each tender must be accompanied by an accepted cheque on a chartered bank payable to the order of the Minister of Public Works, equal to 10 p. c. of the amount of the tender. War Loan Bonds of the Dominion will also be accepted as security, or war bonds and cheques if required to make up an odd amount.

Austria R-report of Note From Great Britain

LONDON TREATS STORY LIGHTLY

It Was That Britain Had Asked Austria For Specific Proposals—Von Hintze to Continue in Office

Amsterdam, Oct. 5—The Berlin Tageblatt's Vienna correspondent says the British reply to Baron Burian's recent peace note has been received by the Austrian government. According to the correspondent the note is politely couched and requests the Austro-Hungarian government to specify their peace proposals more precisely.

The correspondent adds that Professor Heinrich Lammasch, jurist and professor in the University of Vienna, has been charged with drafting a memorandum on President Wilson's fourteen points of peace for transmission to President Wilson.

Declared Untrue. London, Oct. 5—Reports that Great Britain has replied to the Austrian peace proposals and of a request from Austria that Holland invite the belligerent nations to enter peace negotiations are given prominence by the newspapers here. For the most part, however, they are dismissed as a part of a new "peace offensive" deserving of little attention.

The Telegraph claims to be able to deny positively that Great Britain has delivered any sort of reply to Count Von Burian's note except the speech made by Foreign Secretary Balfour on Sept. 16.

Von Hintze Holds On. Amsterdam, Oct. 5—Admiral Von Hintze, who has repeatedly tendered his resignation, has now joined the majority parties and will continue in office. It is said by the Vossische Zeitung of Berlin. This change, it is said, has occasioned considerable surprise in Berlin. During his visit to main headquarters he is reported to have been resolutely championed parliamentarism.

admittance to a league of free and equal peoples, the Vorwaerts of Berlin, the Socialist organ, says:

"If our opponents will name the price which individual nations must pay in order to participate in the advantages of lasting peace, then the German nation can decide whether or not to accept. Our peoples desire for speedy peace is stronger than ever. The government must take this into account, but must not make peace at any price."

Tenders must be put in on the blank form of tender, which may be obtained from any of the offices at which plans are on exhibition.

Each tender must be accompanied by an accepted bank cheque payable to the Honorable the Minister of Railways and Canals for an amount equal to ten per cent (10 p. c.) of the tender.

The lowest or any tender not necessarily accepted.

By order, J. W. PUGSLEY, Secretary, Department of Railways and Canals, Ottawa, September 28, 1918. 10-8

SEALED TENDERS addressed to the Secretary of the Board of Commissioners of the General Public Hospital, and marked "Tenders for rewiring and signal system," will be received up to 12 o'clock, noon, Monday, October 21, 1918, by the Commissioners of the General Public Hospital in St. John. Tenders shall include separate bids for main building, nurses' home and signal system. Tenders must be made on forms to be obtained from the Secretary. Plans and specifications may be seen at the office of the Secretary. The lowest or any tender not necessarily accepted.
