GOES TO JAIL FOR ILLEGAL LIQUOR SALE

There McAdam Will Find His Wife Serving Sentence for Like Offence—Visit of Oddy Morrison Led to Trouble

Drink got the better of a powerful-looking Yankee, Ody Morrison, on Thursday night, and he wandered down Carmarthen street, to the home of Robert McAdam, who proved a very obliging host. There after he had a few more drinks he fell asleep when he awoke a watch valued at \$10 was missing from his pocket, and there seemed no trace of it in the house. He went back again last night, and was there when Sergt. Campbell and policeman McCollum made a raid on the place and arrested the proprietor, McAdam and Laura Barrett, a colored woman, the former on a charge of keeping a public house and selling liquor unlawfully and the woman on a charge of being an inmate of the house.

Judge Ritchie this morning imposed a fine of \$100 or six months on McAdam for the illegal sale of liquor, and suspended a sentence of six months on the latterly house charge against him, while the Barrett woman was given nine months in jail without a fine. McAdam's wife, known as Lettie Harned, is at present serving a sentence on a charge of illegal liquor selling, and thus a family reunion will be effected in McAdam's being sentenced.

The watch it was said this morning, Morrison had given to Barrett while he was intoxicated, and she denied having stolen it. McAdam said he found it in the woman's bag, and it was returned to the owner today.

ARE PREPARING FOR FESTIVITIES WHEN LENTEN SEASON ENDS

Several Events Arranged for Easter Week and Later in Nickel Assembly Rooms

A round of festivities will be started in Easter week in the assembly rooms of the Nickel theatre. On Easter Monday, April 17, the first St. John nest of Owls will be organized by Messrs. Hooker and Getchell, who have been in the city for some days, interesting local men in the order. A large party of St. John men are expected joining the order, and the prospects are that the St. John nest will start out with a good charter list. The order was instituted in South Bend, Indiana, Nov. 29, 1894, and there are now nests in all the cities of importance in the United States. Recently the organizers have been working through the State of Maine, and from there came over the border into New Brunswick. The order is also reported to be spreading in the west and northwest, and there is now a total membership of about 150,000.

On Tuesday, the 18th, the several chapters of the Daughters of the Empire will hold a big subscription ball in aid of a charitable object. A large number of cards are being sent out and the affair is likely to be a big success. Wednesday, the 19th, is an open day.

On the 20th, there will be a masquerade ball, for which more than 350 cards have been issued. It will be one of the first affairs of the kind that have been held in St. John for some years. Novelty dances will be introduced, a large orchestra will be on hand and one of the features will be a contest shower at the conclusion of the supper dance. Arrangements are also being made to hold an impromptu musical programme, and a concert of entertainment in the auditorium upstairs in which a number of those attending the ball will take part. Anticipations are coming in rapidly.

On Tuesday, the 25th, the final of a series of dances held by Miss Sherwood's class will be held and at a later date the C. M. B. A. intend holding a gathering for members of the society. Other parties are also seeking bookings.

Y.M.C.A. HIKERS PLAN A TRAMP TO WOODSTOCK

Will Talk it Over at a Banquet to Be Held in Association Building Tonight

The members of the Y. M. C. A. Gypsy Hikers who last year walked from St. John to Fredericton, will hold a banquet at the Y. M. C. A. parlors tonight at 8 o'clock. It will be in the form of a reunion, as the boys have not assembled since their last hike. Plans for another trip will also be discussed. It is proposed that this year the "gypsies" will start from this city and walk to Woodstock, returning, as they did last year, by the river. The hike will probably take place in July.
