Every Dollar tomes back With Substantial Dividends A Young Man and His Future

He takes his first step in business affairs, is examined by the doctor, and creates an estate of \$5,000 in event of death.

He improves the shining hour and impresses upon an important person that he is in possession of an "estate."

His tendency to save and invest is noted by his employers.

He finds his savings of great assistance in

And as time goes on he is enabled to enjoy many of the good things of life.

Have you ever heard of an absolutely safe investment, which does not require the deposits to be continued if you become totally and permanently disabled, but, i...stead, pays you a monthly income as long as you live?

Which requires no further deposits in event of death and pays immediately the full amount you had set out to

Or, at the end of 20 years, absolutely guarantees to return to you every dollar you have deposited in annual premiums, along with substantial dividends?

We have such an investment to offer.

The Capital Return Policy

issued by the Canada Life Assurance Company is a Contract which provides—

1. Immediate Life Insurance protection for your

2. Cash values, available in emergencies, which, with the substantial dividends added at stated intervals, make your policy a valuable business asset. 3. At the end of 20 years you can draw out all you have paid in, along with dividends, which have been

compounding at interest,-Or, you can take a Special Cash Guarantee, along with the accumulated dividends, and continue the policy (fully paid for) earning dividends as long as you live,—

Or, this Special Cash Guarantee may be applied to increase the amount of your policy—for example, a \$5,000 policy would be raised to more than \$7,500.

And in addition---

Suppose some day before reaching age 60 you should become totally and permanently disabled through accident or illness. Immediately all further deposits would cease, and you would receive \$50.00 a month as long as you live—and the \$5,000 would be paid in full at your death. (This feature is added for a small extra pay death. (This feature is added for a small extra payment yearly, which is not returnable with the regular
