PRESIDENT:  
HIS EXCELLENCY THE GOVERNOR GEN-  
ERAL IN COUNCIL.

WHEREAS it is provided by the 58th section  
of the Act 31 Victoria, Chapter 6, intitled  
"An Act respecting the Customs," that the im-  
porter of any cattle or swine may slaughter and  
cure and pack the same in bond, under such Regu-  
lations and restrictions as the Governor in  
Council may from time to time make for this pur-  
pose:

And whereas it has been found expedient to  
give effect to the said Section 58, in so far as re-  
gards the importation of swine, and to alter the  
terms of the Regulations for this purpose, adopted  
by Order in Council of 22nd of May, 1868:

His Excellency, on the recommendation of the  
honorable the Minister of Customs and under the  
provisions of the said Act has been pleased to or-  
der, and it is hereby ordered, that the said Order  
in Council of the 22nd day of May, 1868, and the  
Regulations thereto established be and the same  
are hereby repealed, and that the following Regu-  
lations be and are hereby adopted and establish-  
ed in lieu thereof—that is to say:

1. Upon the importation of swine for the pur-  
pose of slaughter, the Importer shall enter the  
same for Warehouse, upon the usual form of such  
entries, stating upon its face, the number and  
value of the herd, and also the quantity of pork,  
bacon, hams and lard, which the importer stated  
will produce when slaughtered and dressed at 113  
pounds weight for each live hog so imported, and  
the amount of duty to which such produce is or  
may be liable under the rate prescribed by the  
tariff in force at the time being as the proper duty  
on meat of that kind. Such Importer shall then  
execute a bond to the Queen. In double the ad-  
vantage of such duty, the condition of which bond  
shall be, that upon the due exportation within  
one year of the said products of the swine so im-  
ported and converted into pork, bacon, hams and  
lard, or any part of the duty secured by the said  
bond, then the said bond shall be and become null  
and void, otherwise shall remain in full force and  
virtue.

2. Upon the reception into the Bonding Ware-  
house the swine shall be regarded only as meat,  
and it shall not be lawful to remove any of them  
from such Warehouse alive; nor shall any part  
of the produce of such swine be removed there-  
from, for any purpose, without a permit from the  
Collector, or proper Officer of Customs, as in the  
case of all other bonded goods.

3. Swine imported in the carcasses to be cured  
and packed in bond, may be entered in the usual  
way for Warehouse, and be placed in the premises  
situated on a Warehouse of this class for the  
special purpose of curing and packing. The  
weight of such carcasses to be duly ascertained  
by the proper Officer of Customs, and the Im-  
porter shall give bond to the Queen in double the  
amount of duty securing thereupon under the  
tariff in force at the time, conditioned for the due ex-  
portation of the same, or payment of duty within two  
years from the date of first entry.

4. The killing, pen, curing and packing house,  
and all cellars, stores or other apartments includ-  
ed in such Warehouse, shall be accessible at all  
times between sunrise and sunset to the inspec-  
tion and survey of the Collector or Inspector of  
Customs, or any officer of Customs to whom the  
duty of such inspection may be assigned by them  
or either of them.

5. The producer of swine imported alive and  
warehouse for slaughter, at the said rate of 113  
pounds for each hog, and the meat of the swine  
imported in carcasses for curing and packing, at the  
actual ascertained weight at first entry, shall be  
subject while in bond to all changes in the tariff  
rate of duty, with which entered out of bond for  
home consumption, shall pay the rate of duty in  
force at the date of such entry.
