British Yacht Cruising around Nfld.

The British yacht "Surprise" owned by Commander Godfrey Williams, R.N., retired, arrived at St. John's on Wednesday last after a voyage of 10 days from the Channel Islands. Comm. Williams is now on a pleasure cruise and intends visiting all the beauty spots on the Newfoundland coast. He is accompanied by his family and several other friends.

The yacht has a crew of thirty all told and is commanded by Capt. Sutherland. The "Surprise" is a ship of 1300 tons and was formerly owned by King Leopold of Belgium. During the voyage across the Atlantic some fog and dirty weather was experienced but the ship made good time in reaching Newfoundland.

Mrs. Geo. Martin arrived recently from Bishop's Falls and will spend the summer months here.

The Tourist Trade

In an article in the Trade Review there is a statement that the Newfoundland Tourist Trade is suffering because of so many statements and pictures depicting the icebergs around the Newfoundland coast. Even Canada resents being called "Our Lady of the Snows."

Mr. Jack, a gentleman who was here during Haig Week in the interest of a moving picture company made the following statement: "If you want to get people to come here you will have to get out the icebergs as first impressions are strongest and most people who see these pictures conclude that your coast is blocked by ice all the year round. They do not know that the ice is in the Narrows only a week or two in spring and that some seasons you do not see an iceberg at all. The foreigner thinks that it is a perennial condition and when he adds the fog idea to this it is easy to understand why he does not look upon Newfoundland as a desirable place to visit." These falsehoods should be corrected and we agree with the Trade Review in saying that postcards showing pictures of this sort should be prohibited and the beauty spots of our country should be brought before the travelling public.

BARNEED NOTES.

We congratulate Mr. and Mrs. John Richards on the birth of a daughter on Aug. 7th.

There passed away on Tuesday, August 12th, after a short illness, Mrs. William Petten aged 44 years. Left to mourn are a husband, three sons and a large circle of friends. Funeral took place on Thursday, August 14th, at 11 o'clock, Rev. Whitehouse officiating.

We chronicle with regret the death of Robert Stevens, aged 63 years. Deceased was ill for a long time and the end came on Tuesday, August 12th. He leaves a widow, two daughters and six grandchildren to mourn their sad loss. Funeral took place on Thursday, August 14th, Rev. Whitehouse conducting the service.

Garden Party and Play

It was unfortunate for the congregation of St. Stephen's Church, Coley's Point, that Wednesday, August 16th, the day set for their Garden Party turned out so unfavorably.

The Garden Party was postponed until Thursday but the weather condition remained unchanged so suppers were served in the schoolroom.

On Wednesday night, however, the play entitled "Safety First" was staged in the school hall and was repeated on Thursday night. The leading parts were taken by Miss Carrie Dawe.

Mr. McNutt
Miss Dorcas Barrett

Mary Ann O'Finnerty
Miss Jessie Greenland
Miss Eleanor Greenland
Mrs. Barrington-Bridger
Miss Rebecca Greenland acted as Director. Each player took their part in an excellent and creditable manner and we congratulate them on the talent exhibited.

The play moved briskly along with culminating effect and the act endings were quick and snappy. The characters were equally balanced as everyone in the play greatly impressed the audience and added to the laughable situations. The troupe accepted an invitation to repeat the play at St. Paul's Hall.

The audience was pleased with the play and the talent of the players called for much praise.

They returned home by motor cars and carriages after the performance, having spent a delightful time.

The Gander Industry To Start in 3 Years

All the property of the Gander Valley Power & Paper Co. shall be free from municipal taxation as well as stocks, dividends and securities. The agreement holds good till July 30, 1924. All material for building the plant shall be admitted in free of duty except in substitution for old or worn out material.

The company will have an exclusive rights to game, deer, moose, etc., on its land and shall not interfere with the public in shooting or fishing or to put up fences to interfere with the migration of caribou, moose, etc. They shall be subject to all the game laws of the country.

The company may make their regulations to protect their property from fire, same to be approved of by the Governor-in-Council. These will have the full force and effect of law. The public shall have free access to and timber areas of the company to fish, shoot, hunt and trap and the right to navigate the river. The company has the right to build and operate telegraph and telephone lines on its territory.

Work of actual construction must begin within three years from date of passing of the bill, and must spend five million dollars in Newfoundland in connection with the property within six years. Failing to do this the contract shall be void and lands granted shall revert to the Government. The mill to be erected will have a capacity of turning out 200 tons of paper per day.

There will be six fire wardens including a chief paid by the company to guard the timber areas from destruction by fire. The company undertakes to employ Newfoundland labor except such skilled labor as they cannot get here. All disputes shall be settled by three arbitrators chosen in the usual way.

The above is the gist of the agreement. It will be noticed that there is no mention of a rate of wages to be paid to the men employed. This has been the cause of a great deal of trouble and strikes in other industries at Bell Island, Grand Falls, and now the Humber. This could be avoided possibly by giving some attention to the subject of wages when the bill is going through the House. The minimum wage clause seems to be a failure.—Trade Review.

Bonnie Baby Competition

Mary Wilson, of Melbourne, Australia, has been chosen from sixty thousand entrants as the bonniest baby in the British Empire, according to an announcement made by officials of the National Baby Week Competition conducted at Wembley, Baby Wilson who is two years and eight months old receives £200.

James Edward Rowe, of Whitley, Ont., was the winner of the second class for babies between nine months and two years of age, and with John Strang, of St. John's, Nfld., who finished at the top of the first class for infants three to nine months, wins £100.

Kenneth Farrell, of Mount Forest, Ont., is one of the five babies in the first class who each receives a prize of £20.

FLOWER SERVICE.

The annual "Day of Remembrance of the faithful departed" was observed by the Church of England congregation of Coley's Point on Sunday afternoon last.

The solemn service was conducted by Rev. E. M. Bishop and attended by a large number of people who had come with flowers to place near their dear ones.

SUCCESSFUL GARDEN PARTY AT SPANIARD'S BAY.

The Garden Party which was held in the Rectory grounds, Spaniard's Bay, on Tuesday, August 12th, was quite a success. Splendid teas were served by Mrs. Clench and the ladies of the Association. Ice cream, candy and fancy goods were also sold.

The visitors who attended were delighted with the beauties of the Rectory grounds, which are so well kept by Rev. Mr. Clench. After the Garden Party a dance was held in the Parish Hall and was largely attended. We learn that the proceeds of the day amounted to about one hundred and ninety dollars.
