WEEKLY WEATHER SYNOPSIS.

Victoria Meteorological Office,

May 11th to 17th, 1904. The chief feature of the past week's weather has been the good rains which have fallen along the Coast and west of the ranges, and which in this vicinity have greatly benefited and advanced vegetation. The distribution of atmospheric pressure has not been marked by any very sudden changes, the range being from 30.32 to 29.80. During the first part of the week a pronounced high pressure field occupied the province, this was accompanied by splendid is also considering the advisability of changes, the range being from 30.32 to province, this was accompanied by splendid weather, the bright sunshine recorder at this station registering 13 hours and 6 minutes out of a possible 15 hours. The presutes out of a possible 15 hours. The presutes out of a possible 15 hours and 6 minutes out of a possible 15 hours. The presutes out of a possible 15 hours and 6 minutes out of a possible 15 hours. The presute a number of Victorians have expressed a desire to spend the holidays at Seattle. traversing the northern part of the prov-lace into the Canadian Northwest. Winds have been chiefly light to moderate, with occasional fresh gales off the mouth of the Columbia river. Temperatures have increased during the day, although the mights have been mostly cool and below the normal; frosts occurred on the Upper Maintand and in various localities in the Pacific states. In the Northwest the weather has been chiefly fair and cool; the rainfall has been only light and more would be bene-

At Victoria there were recorded 34 hours and 48 minutes of bright sunshine; the highest temperature was 73.2 on the 12th; the lowest, 40.2 on 11th; rainfall, 0.18 inch. At New Westminster, highest tempera ture, 76 on 12th; lowest, 36 on 11th; rain-

fall, 0.92 inch. At Kamioops, highest temperature, 76 on 12th; lowest, 34 on 11th; no rain. At Barkerville, highest temperature, 68 on 17th: lowest, 20 on 11th; precipitation, 0.10

At Port Simpson, highest temperature 56 on 16th; lowest, 34 on 11th; rainfall, 1.37 At Dawson (2 days missing), highest tem perature, 60 on 15th; lowest, 32 on 12th;

precipitation, 0.08 Inch. The following is the summary of the weather for the month of April, 1904: Precipitation in Inches.

-Rev. W. Leslie Clay Monday afternoon united in marriage Mr. E. Pell and Miss Laura Williams, of Portland. The ony was conducted at the manse.

-J. Boscowitz, manager of the Victoria theatre, has not yet come to any definite decision respecting the proposed improvements to the Victoria theatre, although he expect's to reach some conclusion on the matter this week.

-Capt. Gibson, of the Victoria and Vancouver Stevedoring Company, has prepared a very useful chart showing the track of vessels in from sea to the principal ports in British Columbia, and a plan of the harbors, together with nds of the best anchorages in either. The chart is taken from the admiralty Charts, and is drawn to a scale. It is bottom of the matter is claimed by the certified correct by Capt. Walbran of the Rossland Chinaman to be analogous department of marine and fisheries.

years ago. By securing the conviction of Saturday last in St. Peter's church, the contracting parties being Mr. R. P. E. Roberts, of Kuper Island, and Miss Isabel Holmes, of Duncans. The ceremony was performed by Rev. J. A. Leakey, assisted by Rev. J. R. Roberts, in the presence of relatives and a few intimate friends. A reception was afterwards held, when the popularity of the newly married couple was testified by deal are said to be wavering in the faith as the outcome of the trial. The Chinese section in Rossland, which is several hunnewly married couple was testified by deal are said to be wavering is thoroughly worked up on thought Moody would have no difficulty on the contracting parties being Mr. R. P. E. Roberts, of Kuper Island, and Miss Island and Miss Island -A pretty wedding was solemnized on Saturday last in St. Peter's church,

—Americans will have ample oppor-tunity to visit this city next Monday and Tuesday. In addition to the arrange-ment made by the C. P. R. Steamship Company the Alaska Steamship Company has arranged to give a double daily service for both days, and will also give cheap excursion rates from Port Angeles, Port Townsend, Port Gamble, Port Sud-low and Seattle. Ticket's at low rates

-A dispatch from Ottawa says: "George Riley, M. P., was told Wednesday that the 5th Regiment band had got the privilege of going to St. Louis." Bandmaster Finn, Wednesday, said he had been notified that an order-in-council had been passed by the Dominion government on Wednesday, the 11th, giving the Fifth Regiment band permission to leave Canada. He pointed out, however, that before the band could enter the United States the consent of the governors of the different states it is proposed to visit would have to be obtained. This was simply a formality and no difficulty was anticipated in securing the required permission. Asked when the band intended leaving for the St. Louis fair, Mr. Finn said he thought that a start would be made some time in July.

-The proceedings of the second annual convention of the Provincial Mining Association, which was held in this city from February 22nd to 25th, have been published in pamphlet form, and copies can now be obtained gratis from the secetary, E. Jacobs, at the office of the association. Government street, opposite Trounce avenue. For the information and use of visitors copies are being placed in several of the leading hotels in the city, the rooms of the Tourist Association, and other places where they Risin Snow, Total, are likely to come under the notice of people from outside points. The pamph-.94 let will be widely distributed through .18 the various branches of the association 35 in the province and by other agencies, 22 and it will serve to show the extent of the field covered by the objects and ef-

forts of the association. \_\_\_ -The committee on exhibits for the "Made in Canada" Fair will be at the Assembly hall all week to complete arrangements and to confer with exhibiors. Those who have rented booths are requested to call at the hall on Tues-day and Wednesday to make final arrangements about their exhibits, which must be brought to the hall on Thursday and Fmday. By Wednesday night the background of the decorations will completed. No one will be permit ted to take photographs before Satur-Those who will help in ecorating the Assembly hall for the fair are requested to come to the hall n Tuesday and Wednesday afternoon and evening. An interesting feature at the fair will be the women's exchange, where a fine display of handwork will be on exhibition. There will be special attractions for children every afternoon.

-Schooner Fawn, Capt. A. H. Olsson, Wednesday with a catch of 100 skins for her season's work. She left Nootka four days ago in company with the Zillah May, which vessel had a catch of 160 skins. Capt. Olsson reports that the remains of the lumber schooner Emma some months ago, is now block to be pieces no larger than one's hand from the water line up. He examined the wreck and says that there is no doubt but that she capsized at sea, for up to the time 75.8 on 12th; lowest, 32.0 on 30th; mean, she had drifted ashore there was not a Vancouver. Mr. Harrison frankly stated Garry Point—Highest temperature, 63.5 on 12th; lowest, 31.0 on 30th; mean, 47.9 on 14th; lowest, 31.0 on 30th; mean, 47.9 on 30th; mean, ing only the Zillah May. The latter part | from other points. of the season he spent in Queen Charlotte Sound.

-Monday night the usual fortnightly meeting of the Natural History Society was held in the caucus rooms at the pro-vincial buildings, when, after the business of the evening was finished, an interesting paper on seri-culture was read by E. gait required by the law. In consequence Wallace, a member of the society. 7th; lowest, 20 on 7th; mean, 48.15. A. Wallace, a member of the society.
