DAMSON'S CROUP is the most deadly of all diseases of children. It gives very little time in which to seek remedies. A little tiredness—a cough feverishness-stiffled coughing

-weakened voice -feeble pulse - delirium - convulsions - and even at this critical period LIFE IS SAVED if this wonderful balsam is administered. It should be always on hand and given at the first symptom but it will nearly perform miracles whenever used.

morning, showing signs of bad treatment. The Late Mrs R A. Chapman

A correspondent writes:

The funeral of the late Mrs. Robert A. Chapman, took place Friday last from her late residence, Botsford St., Moncton, to the rursl cometery. Services at the house were conditions under which the McLaggan trust money was paid to the support of the school. A committee consisting of Messrs Airken, Johnston and Murray was appointed to enquire into the case, and report at the next meeting.

The next regular meeting of the Presbystry will be held at Dalhousie on the last Taesday in September.
