**FIRST DEER OF THE SEASON REACH TOWN**

Big Game Season Open and Hunters are Busy

Sportsmen Coming from All Parts of the Continent—Game Plentiful and Good Sport Expected

The big game season opened yesterday and from present indications it looks as if the season will be an unusually good one, both in the point of the number of licenses taken out and in the amount of game taken.

A new system of vending licenses has been put in force this year. Permits are now issued through the office of the local government on Church street, to which office the various vendors throughout the province applied.

The licenses are now all issued from the Crown Lands Department, Fredericton, with which department the vendors now deal direct. J. H. Noble, of King Square, is the vendor for the locality. Licenses can also be secured from the game wardens of the county.

Before the season had opened Mr. Noble had issued four licenses to non-residents. These are for visitors from quite distant points. One comes from New Jersey, one from Tennessee and the other two from different parts of Missouri.

Over sixty residents of the province have also taken out their licenses already. Most of them in talking to Mr. Noble said that they knew just where to get the animal as soon as the season opened.

There are no caribou in this section of the province, but from the reports reaching the city the moose seem very plentiful, and the local huntmen are looking for good sport.

Every applicant for a license is furnished with a copy of the game laws in pamphlet form in order that there may be no excuse for breaking any of the laws.

The secretary of the New Brunswick Tourist Association has been receiving numerous inquiries from all parts of the continent and even one from South Africa regarding the game season. Judging from inquiries received more outside sportsmen than usual are expected to visit the province this autumn.

The reports concerning the supply of game throughout the province which have been received by the association are very encouraging. The reports speak particularly of the plentiful supply of moose.

The big game to strike the city was received by express from Norton this morning by O'Neill Brothers. A number of caribou were included, and the caribou consisted of two very nice deer, which were secured back of Norton.

A fair supply of partridge have also reached the market. Black duck have been in ever since the first of the month.

**YOUTHFUL THIEF GETS TWO YEARS IN REFORMATORY**

A Big Bunch of Exhibition Drunks in the Police Court This Morning

This morning Magistrate Ritchie sent Irvin Earl, big game year old boy who stole \$22 from O. H. Warwick and Co. on the 8th instant, to two years in the boys' industrial home.

A quartette of exhibition drunks adorned the prisoners' bench. They were given 30 or ten days, and paid up their bail.

Charles Jackson, who was charged with being drunk, put in a plea that he be allowed to catch the Boston boat and leave town. He said that he had \$3 with him.

"Well that will take you as far as Eastport," said Judge Ritchie. "You're liable to 30 days or six months in jail, but you will be remanded until Friday when the boat leaves for Boston."

Ada Gless, colored, who was found drunk on her street at an early hour this morning, was sent to jail for two months.
