

YOU'RE IN WRONG, SIR!

If You Invest Your Money in Any Enterprise That Does Not GUARANTEE 40 per cent.

(BECAUSE)

Our guarantee of 40 per cent dividend cannot fail unless we are wiped out by a calamity. It is a guarantee against which there can be no argument.

The money to carry out this guarantee is deposited in the Canadian Bank of Commerce, Charlottetown, and cannot be withdrawn until the terms of agreement are fulfilled.

A CHANCE FOR THE INVESTOR WHO WANTS TO BE SURE

THE CALL OF REASON

THERE ARE MANY THINGS that turn the attention of thoughtful people to the Dalton Ranch in these days when the Silver Black Fox Industry is attracting the attention of capitalists and investors all over the civilized world.

The principal and most important factor to draw this attention is the quality of stock which has been developed by Mr. Dalton. The Foxes in the Ranch today are the progeny of the Foxes whose Pelts produced the World's Records on the London Market, in 1910, and recent letters received from the London Fur dealers, by the Provisional Directors, state that Furs of the luxurious quality produced by this ranch will always command the highest price.

Then there is the 40 per cent. guarantee. Just think of it—\$100 invested in this company GUARANTEED to pay you more interest than \$1,000.00 in a Savings Bank.

THERE IS, THEREFORE, NO SANE REASON why the investors of the Maritime Provinces should ever allow foreign capitalists control this important industry. If you have not yet applied for shares in this company, listen to the CALL OF REASON, and do so TODAY.

THE PEOPLE'S COMPANY

This company was organized for the people, and will be managed by the people. The time has arrived when the people of the Maritime Provinces will have a voice in its most profitable industry. Every share in this company is a bond and participates equally with every other share in the assets and dividends of the company. Every Director in this company had paid \$100.00 for every share he owns. As shares are selling rapidly, we would advise intending investors to act at once.

APPLICATION FORM

If you cannot call at our Hotel mail your application to W. B. Prowse, Royal Hotel, St. John, or the Canadian Bank of Commerce, St. John.

We, the undersigned, hereby subscribe for and agree with Waldron B. Prowse, of Charlottetown, Agent for the Silver Black Fox Ranching Business of Chas. Dalton, of Tignish, to take the number of Shares at \$100 a share, as set opposite our respective signatures hereto, and pay 10 per cent. of said stock down and the balance on allotment. Should said shares not be allotted the money paid on them to be refunded in full.

Was a Victim of Bronchitis.

HAD TO BE PROPPED UP IN BED.

Bronchitis is an acute inflammation of the membranes lining the air tubes of the chest, and begins with a tightness across the chest, and a difficulty of breathing accompanied by a hard dry cough which later develops into the raising of a greenish or yellowish phlegm.

On the first sign of bronchitis you should check it immediately by using Dr. Wood's Norway Pine Syrup, and thereby preventing it becoming chronic and perhaps turning into some serious lung trouble. Mrs. John Barrett, Salisbury, N. B., writes: "A year ago I was a victim of Bronchitis. I was so bad I could not lie down, and had to be propped up in bed. As the doctor failed to do me much good a friend, who came to visit me, advised me to try Dr. Wood's Norway Pine Syrup. The first bottle helped me so wonderfully I took five bottles in all, and was cured. I have not had an attack of it since."

Price, 25 and 50 cents a bottle.

See you get "Dr. Wood's" when you ask for it. Manufactured only by The T. Milburn Co., Limited, Toronto, Ont.
