The St. John Standard

ST. JOHN, N. B., TUESDAY, MARCH 5, 1918

"We are fighting for a worthy purpose, and we shall not lay down our arms until that purpose has been fully achieved."--- H. M. The King. TO THE PEOPLE OF THE EMPIRE- Every fighting unit we can send to the front means one step nearer peace

The Canadian public is to have its

and the mailed fist abroad; between

A BIT OF VERSE

And lead me, like some kindly host

who gives a long-expected guest The comfort that he craves the most-the hospitality of rest.

So may I think of him each day, while

No foe with fury in his breath shall

place, God grant I make a friend of Death long, long before I see his face.

A BIT OF FUN

A JOYFUL SOUND

There's beauty in the thunder's roll And in the ocean's roar. I'd rather hear a ton of coal That hits the basement floor.

HER ECLIPSE.
She was a very newly fledged mess or duchess or something that, and somehow or other, she me thick with a professor, as

where does poor Michel come in?

RELIGION AT THE FRONT.

be formed against Germany. It is not suito The men of the churches, the Y. M. easy readily to over-estimate the mean-C. A speakers and chaplains who return from France are having much to say these days about the religion of removal of the German menace to phia Ledger.

asked in astonishment. "Because mother told sister you would make a good match."—Philadelphia Ledger. the men at the front. They tell us that peace among the nations. Germany you would rarely, if ever, find a skeptile or an infidel in the front line tion through the industrial energies of trenches; that the men believe there is an over-ruling Providence and that multitudes of them believe in God with a reverent faith.

Rev. Dr. Chown, the general superintendent of the Methodist church, made a startling statement at the Roters.

The distribution of the multitudes of them believe in God with a reverent faith.

Perhaps no nation in the world extension of the multitudes of them believe in God with a reverent faith.

Perhaps no nation in the world extension of the multitudes of them believe the British Empire is better the parallel of the strengths of the nations. Either she it is: I have been in this business talked in the first in through the industrial energies of the nation. She will not be permitted to repeat the operation. Either she it is: I have been in this business talked in the first is: I have been in this business talked and the path of peace or suffer the boycott of the nations whose in this business talked in the path of peace or suffer the boycott of the nations whose in this business talked in the path of peace or suffer the boycott of the nations whose in this business talked in the path of peace or suffer the boycott of the nations whose in this business talked in the path of peace or suffer the boycott of the nations whose in this business talked in the peace of the path of peace or suffer the boycott of the nations whose in this business talked in the peace of the path of peace or suffer the boycott of the nations whose in this business talked in the peace of the path of peace of the path of peace or suffer the boycott of the nations whose in this business talked in the peace of the path of peace of the peace of the path of peace of the path of peace of the path of peace of the peace of

made a startling statement at the Rotary Club at its last luncheon in Toronto when he said: "Formalism was
being thrown on the scrap heap in

France. The men have no place for theology in their kit bags, but they
enough with the United States in such have room for Christ." "If you ask concert with the United States in such them what they think of Christ," said a plan. These Anglo-Saxon nation Dr. Chown, "they will tell you they will control the shipping interests of want Him. He is 'a good sport."

Nothing, perhaps, on the face of it Stars and Stripes will divide the carry. sounds more flippant or irreverent ing trade. Great Britain, with her than to use such a phrase concerning string of coaling stations that encircle Christ. But apparently to Dr. Chown, the world, is particularly equipped to as uttered by these brave men who direct an economic war that will be were facing death each day and using baffling to the German business men a vocabulary so different to ours at home, "it was not irreverent. To hear THE WAR LECTURE BUREAU. it in the trenches, with the meaning that the words would convey to the men who night and day guard the interest and information in respect to battle line, a "good sport" carries with the war added to by a war lecture it the idea of comradeship, faithful- bureau under a director of public in ness to the other fellow in the hour of danger, self-sacrifice for the other's laudable and perhaps more or less a good, justice and fair play. Such a necessary one. A danger which has good sport is one whom they could always confronted the Allies is that of

meant by the phrase, and Dr. Change assured the audience that is what they did mean, then there was religion in it. Christ was to them a comrade, justification, thinking of their good, one whom they could love and follow. He who knows the hearts of men could best interpret the solider's statement and the feelings in his soul toward Christ.

We have finer phrases at home in expressing religious conceptions, but it is a great question whether we have a more than they have at the front. It is a question whether we are as unseif-ish, as self-sacrificing at home as the men are in France. It is a question whether we are security which the fleet and the army provide know how to pray in their bed-chambers and churches and churches and duscouts. It is a question, too, whether we see the spiritual issues of this war as clearly as the men who are giving all for the world's liberties.

Berlin, Mar. 4. via London—Emperor William, according to an official announcement made today on the conclusion of peace between Germany and Russia sent a telegram to Count Von camp in Massachusetts. The absentees took to Cover the Covernment of t

Russia sent a telegram to Count Von Hertling, the German imperial chancellor, reading as follows:

"The German sword, wielded by great army leaders, has brought peace with Russia. With deep gratitude to God, who has been with us, I am filled with proud joy at the deeds of my army and the tenacious perseverance of my people. It is of especial satisfaction to me that German blood and German kultur have been saved. Accept my warmest thanks for your faithful and strong co-operation in the great work."

CUTICURA HEALS TERRIBLE ITCHING

On Hands From Salt Rheum At Very Small Cost for Soap and Ointment.

"I was a great sufferer from salt rheum on my hands. It came in small blisters between my thumb and finger and it itched terribly and kept spreading. I could not use my hands at all and the skin would crack and bleed so that I could not bend my fingers. I cannot describe what I have suffered and the sleepless nights I had.

"Then I got the Cuticura Soap and Ointment. I only used one cake of Cuticura Soap and one box of Ointment when my hands were healed." (Signed) Mrs. M. L. Aiken, Highwater, Que.

Keep your skin clear by daily use of Cuticura Soap, with touches of Ointment now and then.

For Free Sample Each by Mail address post-card: "Cuticura, Dept. A. Beston, U. S. A." Sold everywhere.

Little Benny's Note Book

BY LEE PAPE.

Me and Pud Simkins wawked down town last Sattiday aftirnoon jest for sumthing to do, and we wawked inside of a big high bilding and watched the people getting into the elevators, me saying, G, it must be fun to run a elevator all day long.

They proberly get tired of it after a wile, they proberly woodent do it if they dident get paid for it, sed Puds.

Wich they proberly woodent, and me and Puds stood there watching a wile longer, and then I sed. Wat do you say we get in one jest for the ride?

Wich they proberly woodent, and me and Puds stood there watching a wile longer, and then I sed, Wat do you say we get in one jest for the ride?

Wich we did, so meny peeple getting in after us that me and Puds was squeezed up in a corner and by the time the elevator got all the way up to the top there wasent anybody in it but me and Puds and the man, and then it went down agen so quick you mite of thawt sumthing had broak, and the man terned erround and saw us, saying, Are you kids still heer, ware do you wunt to go?

11th floor, I sed.

They aint ony 10 floors, you must wunt to go on the roof, dont you? sed the man.

They aint ony 10 floors, you must wunt to go on the roof, dont you? sed the man.

I meen the 10th floor, I sed. And a lof of more peeple got in and squeezed us in a corner agen, and the peeple got out at diffrent floors, and after a wile the man sed, 10th, floor, 10th floor. Wich me and Puds jest stood there, and the man sed, well, if you kids wunt the 10th floor you better take it before you get it on your ear.

Wich me and Puds got out and the elevator went down, and I sed. We better pertend to be looking erround for sumbody. If enybody asks us who we are looking for, lets say Mr. Smith.

No, there mite reely be sumbodyby that name, lets say Mr. Dumbells, sed Puds. Wich jest then a man with a buckit and a mop went past, saying. Who are you looking for?

Mr. Dumbells, sed Puds.

I never herd of the name, and I doubt if enybody elts ever did, sed I never herd of the name, and I doubt if enybody elts ever did, sed the man. And he startid to mop up the floor, and Puds sed, I gess its the rong bilding, and I sed, I gess it must be. And we went and pushed the elevator button and rode down agen and wawked home, seeming much ferther then wawking down.
