## POLICE COURT CASES YESTERDAY

**H. J. Jones Fined Heavily for  
Having Liquor—Albert Mc-  
Auliffe Charged With As-  
sault—Two Other Prisoners  
for Stealing.**

H. J. Jones appeared in the police  
court yesterday morning on the charge  
of being drunk last Saturday evening  
and having liquor in his possession  
at the time of his arrest. He pleaded  
guilty and was fined \$208.

Albert McAuliffe appeared on the  
charge of assaulting James Boyd last  
Saturday. Boyd was removed to the  
Military Hospital after the scrap, and  
the prisoner was remanded to jail to  
await the recovery of Boyd from his  
injuries. A charge of being drunk is  
laid against Boyd.

William Connick appeared on the  
charge of vagrancy, and apparently  
no means of support. Evidence was  
taken at the morning session and the  
prisoner was remanded again. In the  
afternoon he appeared, but was again  
remanded for further evidence.

James Macdonnell, a seaman on  
board the Scotian, appeared on the  
charge of stealing two blankets valued  
at \$5 each from the vessel. A C. P. R.  
police testified relative to the de-  
fendant appearing in number 2 shed,  
Sand Point, at two o'clock on Sunday  
morning, and of the blankets being  
found by him under the defendant's  
overcoat. The steward of the vessel  
stated that the blankets found on the  
defendant were not the regular issue  
of the vessel. Macdonnell stated that  
he was on duty from midnight to four  
a. m., Sunday morning, and he took  
the blankets to keep him warm. He  
was committed for trial. J. H. A. I.  
Fairweather appeared for Macdonnell.

James McCourt appeared at the  
morning session on the charge of  
charge of receiving what he knew to be  
stolen goods, and selling the same  
in the city. The stolen goods were a  
rifle taken from the premises of  
Frank A. McDonald, of the St. John  
Iron Works, who had the rifle in his  
summer home at Woodman's Point. Mr.  
McDonald identified the rifle in  
court as belonging to him. Inspector  
Robert Crawford made the arrest in  
the city last Saturday. J. P. H. Teed  
appeared for the accused.

At the afternoon session of the court  
John Hayes, Jr., appeared for further  
hearing relative to theft of liquor and  
cigars, and drug sundries from the  
O'Neill Pharmacy, Brussels street, last  
Thursday night or early Friday morn-  
ing. Acting Inspector Scott gave evi-  
dence relative to the arrest. Three  
other officers were called and each  
told of finding the break in the front  
of the pharmacy, and of the evidence  
being secured by a man standing in  
the rear vicinity, and of their search-  
ing the house of the prisoner, who was  
at the time of their visit was in bed.  
On searching the house the officers  
found six "long necks" under the tick  
of the bed, and on visiting the barn  
unearthed fifty special assessment  
tickets. They then placed the prisoner  
under arrest. Hayes was remanded  
when more witnesses will be called.

**SAGE TEA DANDY  
TO DARKEN HAIR**  
It's Grandmother's Recipe to  
Bring Back Color and  
Lustre to Hair.

You can turn gray, faded hair beau-  
tifully dark and lustrous almost over-  
night if you'll get a bottle of "Wyneth's  
Sage and Sulphur Compound" at any  
drug store. Millions of bottles of this  
old famous Sage Tea Recipe, improved  
by the addition of other ingredients,  
are sold annually, says a well-known  
druggist here, because it darkens the  
hair so naturally and evenly that no  
one can tell it has been applied.

Those whose hair is turning gray or  
becoming faded have a surprise await-  
ing them, because after one or two  
applications the gray hairs vanish and  
your locks become luxuriantly  
dark and beautiful.

This is the age of youth. Gray-  
haired, unattractive folk aren't want-  
ed around, so get busy with Wyneth's  
Sage and Sulphur Compound tonight  
and you'll be delighted with your dark  
handsome hair and your youthful ap-  
pearance within a few days.

## BOARD OF SCHOOL TRUSTEES GRANT THE TEACHERS' INCREASE

By Vote of Four to Two Last Night Much Talked of Salary  
Increase Was Decided on—Female Principals Receive  
\$200, Others \$100—Male Teachers Granted a Twenty  
five Per Cent. Increase.

The Board of School Trustees last  
night by a vote of four to two, de-  
cided to grant the female principals  
an increase of \$200 per year, the rest  
of the female teachers an increase of  
\$100 per year, and the male teachers  
an increase of 25 per cent. on their  
present salaries. Increases were also  
granted to the office staff, and the mat-  
ter of janitors' salaries was left over  
until next Monday evening. Trustees  
Green announced his willingness to  
vote for the amount as a bonus, but  
was opposed to increasing the salaries,  
as he felt the cost of living would go  
down in the near future. Trustees  
Day opposed any increase.

The overcast was wiped out, and said: "It  
won't hurt the teachers to continue at the  
present salaries for one year more."

Chairman R. B. Emerson presided,  
and Trustees Green, Smith, Nagle, In-  
gram, Day and Coll, Superintendent  
Bridges, and Secretary Leavitt were  
present.

The chairman in opening the meet-  
ing, said it was for the purpose of  
dealing with the teachers' salaries. The  
female teachers had asked for an in-  
crease of \$100 per year, to date from  
September 1st, 1918, and the male  
teachers had asked for an increase of  
25 per cent. to date from January 1st,  
1919. Personally he had always felt  
that the St. John teachers were under-  
paid.

H. Colby Smith then moved that  
the lady principals receive an increase  
of \$200 per year; the rest of the lady  
teachers \$100 per year, and the male  
teachers 25 per cent. of their present  
salaries; all increases to date from  
January 1st, 1919.

In support of the motion he said he  
had given the matter careful consid-  
eration, and after consultation with a  
number of the taxpayers had decided  
to move the resolution as above. He  
would have liked to date the in-  
crease to the female teachers back to  
September 1st, 1918, but in view of  
the fact that the amount mentioned as  
what the increase would amount to  
being \$27,000, he had dated it from  
January 1st, 1919.

The motion was seconded by  
Thomas Nagle.

G. Herbert Green wanted to know  
why the amount was made \$200 for  
the lady principals. Last year they  
had been granted an increase of \$200,  
and this made \$400 in two years, and  
he wanted to know the money coming from  
to pay the increase? He was opposed  
to any increase of salaries at the  
present time. He believed that in the  
near future the cost of living which  
was made the basis of the demand for  
an increase, would go down. He  
would vote for the amounts set forth  
as a bonus to apply to this year's in-  
crease, but would not vote for any increase  
in salary.

Mr. Smith said he had made the in-  
crease to the female principals \$200  
because he thought they should have  
the money, and the only way to raise  
the money, as Mr. Green knew, was  
by an overdraft.

G. E. Day moved that the motion  
be opposed to increased salaries, but he  
was opposed to any increase under  
present conditions. The Board would  
have an overdraft of \$27,000, and he  
did not think it would hurt the teachers  
to continue at the present salaries for  
one year more.

Thomas Nagle said it was true that  
there was an overdraft, but of a  
amount about \$25,000 could be bonded  
for, and it had been intimated to him  
that the council would provide for this  
overdraft by special assessment  
spread over a couple of years. The  
teachers had to be paid or else they  
would go where they could get more  
money. The council had said they  
were prepared to stand behind the  
Board, and had assured the teachers  
they were willing for them to get an  
increase in salary.

G. H. Green moved that the com-  
mon council be asked to place in the  
estimates an amount of \$27,000 and a  
part of this a bonus of 20 per cent. to  
paid to all the teachers for the year  
1919, and \$5,000 applied to the over-  
draft. This was not seconded.

G. B. Day then moved that the mo-  
tion be amended by adding the  
words: "provided the common council  
of the City of St. John provide the  
necessary money to pay the increase."

This, too, failed to find a seconder.

E. R. W. Ingram moved that the  
lady teachers' increase date back to  
September 1st, 1918. This met the  
same fate as did the motions of Mr.  
Day that the female teachers all re-  
ceive an increase of \$100 and the male  
teachers an increase of 20 per cent.

Mr. Day then moved that the fe-  
male teachers receive a bonus of \$100  
for the year 1919. This was lost.

Those whose hair is turning gray or  
becoming faded have a surprise await-  
ing them, because after one or two  
applications the gray hairs vanish and  
your locks become luxuriantly  
dark and beautiful.

This is the age of youth. Gray-
