Canadian Fur Auction Sales Co. Limited

With Champlain came the first fur traders on this continent! Away back in 1608, when sent out from France by the great Company of Merchants, they established the first fur trading posts in Canada.

In 1628 the historical Company of One Hundred Associates received a charter from the French Government to operate as fur traders, and they laid the real foundation of the immense fur business of the New World. In the years that followed, the world-famous Hudson's Bay Company, truly the embodiment of the British spirit of adventure and enterprise, still further organized and developed the growing business.

FROM THE VERY BEGINNING ALL OF THE FURS SECURED WERE MARKETED THROUGH MONTREAL

With the establishment in Montreal of the Canadian Fur Auction Sales Company Limited, Canada once more comes into her own as the natural and logical raw fur centre of the continent. Organized and controlled by leading Canadian financiers and business men, the company will create a big, reliable World's Market IN CANADA. For all shippers of raw furs the creation of such a thoroughly satisfactory market will fill a long felt want.

GREAT AUCTION SALES of ten to fourteen days' duration will be held three or four times a year.

The Company's offerings will consist chiefly of fresh, original, uncultured Canadian furs, unmixed with cheaper, inferior southern varieties. Consequently they will be so attractive to buyers from all over the world as to be irresistible.

CANADIAN DEALERS, TRAPPERS, TRADERS—

centralize your collections—concentrate your shipments at one point—MONTREAL. Manufacturers from ALL of the great world-distributing centres MUST have your furs. They will come in crowds to bid in genuine, spirited competition on YOUR lots—the best in the world. The company is prepared to finance the entire Canadian output—and expects to do so. Furs run into big money nowadays—liberal advances will be made, gladly, to any shipper, large or small, on request. The expense to shippers of selling in the Montreal market is less than in any other real fur centre. Write us for further information. We will be pleased to place your name on our mailing list for market reports, quotations and other timely literature you will appreciate.
