A great undertaking has been con-The cutting of the Chatham and Dover own line ditch, at a cost of about \$15,000. The number of yards to be g out of the ditch is 153,759, or thereabout and this is to be made into a road by the side of the ditch. Work will be very shortly entered upon.

An extensive deposit of moulding clay has been discovered on the farm of Mr. James Mills, near the Swamp Hotel, Fizzoy. Mr. William Burns, sculptor of this city, has a specimen of it in his possession, and he pronounces it to be the finest moulding clay he has ever seen—far superior to the clay he has herefore been obliged to import from

The "Rev." L. J. Brown, who shot boy for robbing his orehard, and died shortly after giving this proof of his membership of the church militant, has among other munificent gifts, 50,000 to found a university for the

Mr. F. Slater, of Bracebridge, met th a serious accident on the 6th inst. delean, a large maple which was amputate the leg, an operation which was performed on Saturday last by Drs. Byers and Bridgland. The patient is progressing favorably.

In a court a man who was called upon to appear as a witness could not be found. On the judge asking where he was, an elderly gentleman rose up, and with much emphasis said: "Your honor, he's gone." "Gone, gone," said the judge, "where is he gone?" "That I cannot inform you," replied the communicative gentleman, "but he's dead." This is considered the most guarded answer on record.

the entire scalp torn off as far down the forehead as the eyes, including the eyebrows and one eyelid, and to the junction of the spinal column at the back of the head. It is thought she will recover.

The wife of Mr. Stearnes Wilson, of Palermo, Kansas, was bitten while asleep; innocence waiting for a freight train to run into them.

George Francis Train has gone to Europe, possibly to become next president of France. At all events, he says that he has withdrawn from the president of the pre an entirely unconscious state.

Amberley, Sept. 26.—The barn and stable of Dugald Blue, near Amberley, caught fire to-day at 11 o'clock, and in and all the hay were destroyed. The property was insured in the Victoria Mutual.

An accident, which it is feared in end fatally, occurred in Portland week. Mrs. Smith, wife of John Sm living in Paradise Row, had a cand alongside her bed while reading. B some accident the candle upset, and so fire to Mrs. Smith's clothes, and before the flames that encircled her had been extinguished she was much burned. To-day she is said to be in a critical con lition. Mr. Smith is a head blacksmith u Harris's Foundry.

Last week, while Captain Dawson and family were in Halifax, some miscreants visited his residence and killed his tame ipartriges. They were growing and thriving nicely, and continued to be tamer than domestic chickens. Persons who could commit such a heartless out in Trinity rage deserve no leniency if they are discovered. On the same occasion about fifty cucumber plants were turned up and destroyed—probably by the same parties.

—New Glasgow Eastern Chronicle.

A BRAVE FELLOW. During the fire at Trudel's factory, at Quebec, last Wednesday, a young man named Isaic

At the recent meeting of the High-and Society at, Kelso, there was quite excitement among the hitherto quite breeders of Clydisdale horses. Several purchasers were present from Canada dermany, often competing privately for the same horse, to the no small delectation of the owner. Several stallions were purchased at upwards of 300 gs. for Germany, and as much as 375 gs. was naid for a prize horse to go to Canada.

SENT FOR TRIAL.—Joseph and Ephraim Curl have been charged at Napanee with the alleged perjury case of the burning of Mr. John A. Shibley's barn and committed for trial. One of these defendents is the man that Curl-ed his way out of the hands of the police at Kingston, last Monday. Ephraim is in grief as he now stands charged with three offences: perjury, striking a police man in the discharge of his duty, and sheep-stealing.

BEAR KILLED, -During last week. bear made free with the sheep on the farms in the neighburhood half way between Rurnstown and Renfrew-or the town line between Horton and the Widow Alaxander's, and 1 of Mr. Andrew Forrest's. The Hamilton Times says: Lieut. Col Villers left this afternoon to take charge of the volunteers from the Dominion who go to Manitoba to take the place of those recently discharged. The Colonel accompanies them to a place called Shebandoan, forty miles the other side of Prince Arthur's Landing. At that place he will probably take charge of the returning volunteers

On monday last a little girl, a daughter of Mr. Falby, lot 7, con. 13, London Township, while walking near the spindle of a threshing machine, met with a horrible death. Her clothes got caught by the moving spindle and were rapidly wound round drawing the girl with them. Before the machine could be stopped the creature had been rolled round the spindle several times and killed. Death must have been instanteneous.

This is considered the most guarded answer on record.

A good joke is told of a merchant who recently took a trip to Canada. While taking dinner upon one of the steamers. Said merchant very innocently took an egg, broke its shell, and emptied its contents, as he supposed, into an egg cup. After arranging it to suit his taste, he raised the supposed cup, when lot it was a "China Napkin Ring." The indignation of the merchant and the mirth of the guests were alike unmistants.

istered in Scotland, during the parter ending 30th June last, has just bours, and sent during that time 4,000 words to the press, besides 483 paid quarter there were registered 30,726 this, 19,045 deaths, and 6,398 marges. These numbers indicate that correspondent of Boston, a total stranger to her, was so much struck with this day to the Rev. F. X. Tessier, of the newly acquired North West Territory, which contains about ine million acres of alluvial land of request that he will remit the same to the afflicted widow Mahoux.

head. It is thought she will recover.

A correspondent of the American Rural Home, on the way from Decatur to Cassopolis, Mich., passed a farm surrounded by an immense hedge of black walnut trees. Its owner on "taking up" the land had ploughed a furrow around his eighty acres, in which he dropped black walnut that now had grown to large-sized trees.

The wife of Mr. Stearnes Wilson, of Palermo, Kansas, was bitten while asleep, what was in reality an unfortunate inwhat was in reality an unfortunate in-advertence, and said he was anxious to by one man to the other in a dem treat her Majesty's representative with all possible respect. The fine was upon this apologetic statement remitted.

and in store are worn out.

NABROW ESCAPE .- Dr. White, Dr. O'Reilly and Dr. Grant, of Perth, who anxiety to see "the elephant"—no, the buffalo—took them to the Driving Park yesterday, had a narrow escape from very serious if not fatal injury there. It appears that one of the wild animals broke out of the ring, and while an effort was being made to secure it, it ran foul of the carriage in which these gentlemen were quietly seated watching the sport leaving it in a sad condition and scattering its occupants in a promiscuous manner over the field. The injuries ustained were only slight .- Hamilto

ORDINATION.—At an Ordination held in Trinity Church, Cornwall, on Sunday last, by the Bishop of Ontario, six candidates were presented—three for Priest's and three for Deacon's orders. Priest's and three for Deacon's orders. One of the newly ordained Deacons, the Rev. Maxwell Lepper, will assist in the services in St. James' Church in this town on Sunday next, and preach in the evening service at 7, P. M. Mr. Lepper has been licensed by the Bishop of the Diocese to the Rectory of Franktown, and when at last the order to proceed and when at last the order to proceed to the received that a subterranean river was given the rifferent march. The band into ediately depth, on a level with the bottom of Outario. Now, as the discharge through the river Detroit, after allowing for the probable portion carried off by evaporation, does not appear by any means equal in the quantity of water which the three upper great lakes receive, it has been conjectured that a subterranean river

feeling against the leaders of the riots. away everything, and leave himself and his family destitute, with a Canadian winter before them. Those who are blessed with plenty have room for the exercise of practical sympathy.

Do not be above your business,

in it.

The Monetary Times says: It is computed that Ontario loses annually a quarter of a million dollars by had butter. Large quantities of butter held over from last season have been recently sold for the low price of eight or nine cents per pound, and some lots have been as low as seven cents per pound, being reight insurance and storage charges, at a low as seven cents per pound, being valuable only as grease, and positively unsaleable as food. This arises entirely from want of care and cleanliness in making. Good, well-made butter can be kept from twelve to fifteen months if properly stored and well attended to; a large portion now produced becomes rancid in a few weeks.
